**EQUITY IMPACT STATEMENT**

A person's vote can influence policy and who represents them in government, which in turn impacts their environment, health, and quality of life. The Registrar of Voters' conduct of a fair, accurate, and transparent election allows all eligible citizens to have a part in matters that affect them.

**SUSTAINABILITY IMPACT STATEMENT**

A person's vote has a direct influence on the sustainability of their neighborhood, community, and local region. By voting, San Diego residents have a direct impact on their health, equity, the economy, and environment. With the County's implementation of the vote center model, all active registered voters receive a ballot in the mail as required by current law. This increases accessibility by providing voters with the opportunity to consider the method that is most convenient for them to return their ballot and has the possibility of reducing vehicles miles traveled to cast their vote. In addition, voters have the option of receiving voter information guides electronically to reduce paper waste. The recommended action today aligns with the Governance lens of sustainability and the County of San Diego Sustainability Goal of providing just and equitable access to County services.

**FISCAL IMPACT**

There is no fiscal impact associated with the adoption of the Resolution. There will be no change in net General Fund cost and no additional staff years.
