Anticipation – there’s a song isn’t there? Don’t know what revenue you’re anticipating. Taxes, people are waking up to all your scams, deferred maintenance, and all that, so are unlikely to give you money beyond taxes. With all the tariff, visa, and deportation stuff, tourism is down. The State and Feds are debt ridden and basically broke and from what I’ve seen, are going for broke. And since you’ve decided to resist the new order and insist on being a sanctuary city, money is likely to be withheld or clawed back.
