**Subject: Adjust the Warner Springs Community Plan Boundary to Include the Los Coyotes Tribal Land**

Dear Office of Jim Desmond,

The Los Coyotes Band of Cahuilla and Cupeño Indians has approved an adjustment to the Warner Springs Community Plan boundary to include Los Coyotes Tribal land. This adjustment will allow individuals residing within the reservation to be eligible for appointment to the Warner Springs CSG.

While the Tribe recognizes and values the interest in participating in the CSG, it is important to clarify that any individual appointed from within the reservation will serve in a personal capacity only. Such individuals will not represent the Los Coyotes Band, regardless of their tribal enrollment status. Any statements, opinions, or concerns they express shall not be interpreted as reflective of the official views or positions of the Tribe.

For further information or clarification, please contact the Tribe directly.

Respectfully,

Ray Chapparosa
