My Nexus, abortion is murder. The jurisdiction of this democrat majority board is this County as a sanctuary for the murder of human babies. Girls and women usually have an idea of the point or date of conception. Most seek medical attention and the provider establishes the date of conception, validating the pregnancy and sets the due date of the birth of a baby. Therefore, the pregnancy AFFIRMS the point of conception IS the beginning of a new human life. Not just a "clump of cells". Otherwise why does a mother choose death or birth for her baby.

A current pregnancy confirms female (girls and women) is the sex capable of pregnancy. Regardless of gender identity, label or title, such as non-binary, pansexual, trans man, etc. Men cannot ever be pregnant, no matter the amount of makeup or the number of ugly dresses they wear. Girls and Women, pretending to be boys or men are not male- therefore they are capable of pregnancy as a female. Where is the sanctuary for the babies?
