Put all of these dumb ideas in your yards! Rescind the tiny home vote and close the Bancroft parking what a waste of money when San Diego is DYING

Not an appropriate location. Let's take care of our homeless seniors in a better place. I suggest the area near Gillespie Field. It has newer, better water/sewer facilities and is clean and quiet.

I oppose this homeless house in this area because this is our neighborhood. We want it to be a safe place for our kids to walk and play. If there is homeless housing, there will now be unsafe people, crime, drugs and a mess. I won't be allowing my kids to be out and about if the homeless housing is here due to the risk to their lives. Please choose a better place to solve the homeless issue than our neighborhood.

No useless tiny homes or camps or parking freeloaders

Please do not place a homeless assisted living on Willow Rd. We oppose as it is near our homes and a school and recreation for children. We are concerned about the potential for drugs, crime and filth that the housing will bring. The amount of money projected for this project is substantial and can be better used elsewhere.

I commend the Board for proceeding cautiously, and being willing to pivot away from this project. Given the changing legal and legislative landscape, the questionable ROI for homeless "solutions", and neighbor & environmental concerns for the area, there seem to be much better alternatives (which also would serve far more people) than the Willow plan offers. Please make a U-turn and re-think this before drastically changing a critical watershed and recreational area for youth.

I am opposed, minimal solution We are continually a dumping ground because we are unincorporated. Who is going to vet the folks staying on this property? Who is paying for the electricity? Who is paying for the installation to a septic system? What do these motor homes look like? Is the county purchasing them or do they belong to the families and seniors? Is this going to look like a dump? Who is paying for trash pick up, There are no sidewalks, no street lights, it's too close to the high school,

Joel Anderson how about La Mesa_ Give me a break you all spend money like water and couldn't care about anyone. Private Security you all need to wake up 5 million for 17 spots is insane, 3.8 million for 27 spots is even mire insane to a church. Oh wait tiny cabins are on the plan. Put the tiny homes to a pause too!

It really is amazing when it's outside of Spring Valley that an actual Board of Supervisor knows best. There was no thought or plan when it comes to the unincorporated Spring Valley. How about do some homework and put all of these homeless ideas in back country or real facilities in a city or rural but not in unincorporated areas that have no say, safety, nor funds why bring down what's already in a disrepair. San Diego County needs a revitalization not a skid row.

Paused or NIMBY! SV was never discussed with the community or neighbors. I watched Pastor get on his knees to beg for forgiveness from his neighbor, we were spewed lies, this impacts properties. Please stop all these small wasteful projects that the only ones benefitting are the companies- why not support your people you represent.

Wow- paused... How about retracting the tiny homes and your wasted approx 4 million on a parking lot for a church in Spring Valley- that's just housing a few El Cajon people while Magnolia is closed! Shame on all of you not lists to the people that safe parking lot was on the petition we didn't want it either! Where's the other properties proposed to the county! Stop _ hurting Spring Valley with lack of a graffiti and clean up team your app doesn't work as you don't have a team to do this!

Looks good. Not sure why you ever approved a \$5 mil safe RV parking lot for only 17 RV's.
