Michelle- I replied to Sarah Gordon on May 5th regarding this letter and let her know that it was difficult to provide input on the majority of the letter since it relates to work under the control of SANDAG. However, the portion of the letter related to accepting increased funding for BHC diversion looked fine. So, notwithstanding the fact the bulk of the letter relates to items not in our control, I think it is ok to approve with the understanding that we are not committing to anything regarding SANDAG's ATI project.

Thanks,
Rachel
