Not in favor of any woman on this board for any chair position because of the progressive agenda they promote.

To name a few absurd issues:

In favor of child sacrifice by abortion. Define a woman to include those individuals born with a penis [you know, men]. Provide privileged position for boys and men pretending to be female to gain free easy access into women's and girls sports and spaces. Endorse schools and adults keeping secrets from parents, and lying to vulnerable children. Promote the surgical mutilation and medical castration of minor children to satisfy the fetishes of sick adults. Allowed 3200 unaccompanied minors crossing the southern border to be locked into the San Diego convention center and then one day, they were disappeared into the interior of this country without a word or transparency. The progressive agenda so dangerously eliminates life, liberty and the pursuit of happiness.

We need a true communicator. Communication also affects behavior – what we say, the way we say it. The lack of regular communication makes people anxious, agitated, and often angry. Who, what, why, where, when, and how – these are basic questions people need to know. And you don't need to leave people guessing.

Also an even-tempered person who obeys the law prioritizing the Constitution and then the rest. And someone who enforces rules evenly, not to select individuals, not for policy or political reasons.

The official meeting calendar now has way too few meetings. You should be meeting weekly per Rules of Procedure #1. By not doing this, the Board is letting problems build up before fixing them, which could lead to suspicions about working outside of the public process, if not the actuality. We need someone who fosters good communication, not guessing games.
