Dear Ms. Lupro:

DRIVERS IDENTIFICATION CARDS

This letter is in response to your request for the Sheriff's Department to assume responsibility for licensing drivers of MTDB jitney, charter, non-emergency medical, and sightseeing vehicles.

This issue has been reviewed and determined to be an acceptable addition of duties for Sheriff's License Division. According to the information you have provided, the process for these ID cards is similar to that of taxicab drivers.

Please continue to work with June Stuart on any unresolved issues. We will appreciate copies of the notifications you provide to the currently licensed drivers mentioned above.

Sincerely,

WILLIAM B. KOLENDER, SHERIFF
