PUBLIC COMMUNICATION RECEIVED BY THE  
CLERK OF THE BOARD

DISTRIBUTED 09/13/2021

**Subject:** [External] Declaring San Diego a Champion for Reproductive Rights

Dear Board Members:

We all know that "champions for reproductive rights" kill babies in the womb (and sometimes out of the womb). Ask yourself: When does the soul enter the body? It enters the body at conception. Adoption is the answer to an unwanted pregnancy, not abortion.
