Seligman Liberty Station, LLC requests a 2-week continuance of the Board's consideration of this item for the reasons stated in its detailed comment letter emailed to the Board, Clerk of the Board, and County Counsel today. Briefly, Seligman and its counsel wish to have time to review the proposed agreements and discuss terms with County Counsel, including the City's use of appraised values calculated in 2011 for property which almost certainly has a far higher value today than it did in 2011.

Money Money Money for a building. I'm glad it's coming to us, but is there a plan to redevelop and use the building. It is a historic building, great location, I hate to see it go to waste. You should include plans like these instead of just money provisions.
