INTRODUCTION

The information provided in this report is derived primarily from documents developed at the time the District was formed and from data provided by the County or accessed through the County. The information sources include the Rate and Method of apportionment, annual budget, debt service schedule(s), and special tax delinquency data. The development status, prepayments and historical information were accessed through the County and/or the developer and are maintained by Willdan Financial Services.

The Mello-Roos Community Facilities Act (“Act”) of 1982 came about as a response to the lack of adequate financing for public capital facilities and services in the post-Proposition 13 era. State Legislators Mello and Roos sponsored this Bill, which was enacted into law by the California Legislature and is now Sections 53311 through 53363 of the California Government Code. The Act authorizes a local governmental agency, such as a school district or city, to form a Community Facilities District (“CFD”) or (“District”) within a defined set of boundaries for the purposes of providing public facilities and services. A CFD is formed for financing purposes only and is governed by the agency that formed it.

A. FORMATION

The Board of Supervisors of the County of San Diego (“Board”), in the State of California, did, pursuant to the terms and provisions of Chapter 2.5 of Part 1, of Division 2, of Title 5 of the Government Code of the State of California, as amended (the “Act”), adopted a Resolution of Intention for the proposed formation of County of San Diego Community Facilities District No. 2013-01 (Horse Creek Ridge Maintenance) (“District”).

B. BOUNDARIES AND DEVELOPMENT SUMMARY

CFD No. 2013-01 encompasses approximately 277 gross acres of land in the County of San Diego, located in the northeast quadrant of the SR-76 and I-15 interchange within the unincorporated area of Fallbrook known as Horse Creek Ridge. Of this acreage, approximately 90 acres are expected to be developed into uses subject to a Mello-Roos special tax levy. At build-out, CFD No. 2013-01 is currently expected to consist of approximately 521 single family residential units and 230 multi-family residential units. In addition, the planned community will include a day use sports park, multiuse staging area, regional public trails, open space areas, two large detention basins, and one 60” RCP.

C. BONDS

The Bonds for this area were issued under a separate district.

D. FINANCED SERVICES

The purpose of CFD No. 2013-01 is to provide revenue for the provision of approved county services, Flood Control Services, North County Fire Protection District Services, and Administrative Services, for the benefit of properties within the District boundaries. All of these services to be provided to properties within the boundaries of the CFD, and funded by the CFD, are in addition to services already provided to the areas to be included within the CFD boundaries.

A. RATE AND METHOD OF APPORTIONMENT

Pursuant to Section F of the Rate of Method of Apportionment, commencing with Fiscal Year 2014/15 and for each following fiscal year, the CFD administrator shall determine the Special Tax Requirement and shall levy the Special Tax until the total Special Tax levy equals the Special Tax Requirement.
