With the substantial contribution made by a conservation foundation toward the acquisition of Butterfield Trails Ranch, the County should proceed with acquiring and making Butterfield Trails Ranch in Valley Center into a County park. Butterfield would greatly benefit the people who live in North San Diego County, and would be a jewel in the County's park system. Thank you for your consideration.

Dear Folks at SD County,

I have lived in Valley Center for over 30 years and have wanted a full size public park since we moved in.

Please approve Butterfield Trails Ranch to become a Park and additional funding. Valley Center is growing and we need this more than ever!

Warm regards

Marsi Carr
