---

Hi

I am a resident of Lemon Grove where the Troy Street Homeless Project is proposed to be located on the Caltrans Property.

I whole-heartedly reject this Troy Street Project and the sale of the Caltrans Property for this use.

I urge especially my Supervisor Monica Montgomery Steepe to vote against it. She has been completely inattentive to my community especially as to this project.

Respectfully

Rev Daniel Brunner, BA, MDiv, MA, MEd
