Going from 33,225 sqft. to 9,357 sqft. is a huge change, especially after 4 years. So how much money have we wasted on unnecessary space - I get up to 200K/year. Maybe we need an audit to see whether you are spending our tax dollars on unneeded rental space.

I'm glad that Behavioral Health Services is continuing to examine its office and clinic space needs. Hopefully, you can save even more dollars.
