Subject: [External] San Diego's Dangerous Sanctuary Policy
Date: Tuesday, March 11, 2025 9:57:41 AM

Dear Board of Supervisors:

I urge you to repeal San Diego's extreme "Super Sanctuary" policy which is a reckless measure that actively shields illegal immigrant criminals from deportation, even after committing horrific crimes. We must restore law enforcement's ability to communicate with ICE when these heinous crimes occur. Protecting criminals over the safety of our families is unacceptable. My family and I will not stand by while our neighborhoods are made more dangerous by reckless policies such as these. We are actually considering moving from our beautiful home state of California because of the high crime, high taxes and inefficient government.

You must repeal this dangerous law. San Diego County should be a safe place for law-abiding citizens - not a haven for violent criminals.

District 1 Representative

Board of Supervisors:

I last wrote to the Board of Supervisors on December 13, 2024, admonishing all of you excepting Jim Desmond, for your stance and pro-vote(s) that San Diego be a "Sanctuary County". SHAME ON ALL OF YOU!

As I said before, with the exception of Jim Desmond, every single one of you should be totally ashamed of yourselves and lose your position on the Board of Supervisors for your stance on San Diego County being a "Sanctuary County". We are the laughing stock of the country directly because of the ignorance and arrogance of every single one of you.

Not only do you lack compassion for the citizens of our county and state, you are supporting those who intentionally flaunt our laws.

I demand that law enforcement's ability to communicate with ICE be restored especially with regard to heinous crimes and activities. Public safety comes first! YOU HAVE NO RIGHT TO DEFEND PEOPLE WHO ARE NOT IN THIS COUNTRY LEGALLY, NOT TO MENTION WHEN THEY HAVE COMMITTED CRIMES AND ARE A REAL AND PRESENT DANGER TO OTHERS.

I pray you are held personally liable in future actions when problems occur. You need to be held accountable for your actions when you defy the law - that is not acting in the course and scope of your position(s).

Repulsed (by most of you),

Phyllis J. McGreevey
