In contrast to previous requests, I see some very generous fee decreases and cancellations at the Public Health Lab.

I am a bit concerned about the 13% private pay rate increase at the Edgemoor Behavioral facility. The Board letter explains an increase is proposed to align with updated full cost recovery information (Attachment A). However, attachment A does not explain how it aligns with full cost recovery. Besides, I thought the idea of Behavioral Treatment was actual treatment, not Fee increases presumably on patients who will be face with a fee increase they didn't sign up for when admitted to the hospital.

So, YES to the PHL fee adjustments, but a big NO to the Edgemoor fee increase.
