INTRODUCTION

This report is intended to provide the County with a quantitative and qualitative estimated summary of Community Facilities District No. 2008-1 (Harmony Grove Village) in advance of the calculation and submission of the special tax levy to the Tax Collector for Fiscal Year 2025/26, including general information about the CFD, prior year tax levies and delinquencies, CFD budget information, and preliminary Fiscal Year 2025/26 tax levy calculation. The information provided in this report is derived from documents developed at the time the District was formed, research performed in the process of administering the CFD, and from data provided by the County or accessed through the County. The information sources include the Rate and Method of Apportionment (RMA), annual budget, debt service schedule(s), and special tax/assessment delinquency data. The development status, prepayments and historical information were accessed through the County and/or the developer and are maintained by Willdan Financial Services.

The Mello-Roos Community Facilities Act (“Act”) of 1982 came about as a response to the lack of adequate financing for public capital facilities and services in the post-Proposition 13 era. State Legislators Mello and Roos sponsored this Bill, which was enacted into law by the California Legislature and is now Sections 53311 through 53368 of the California Government Code. The Act authorizes a local governmental agency, such as a school district, city or county, to form a Community Facilities District (“CFD”) or (“District”) within a defined set of boundaries for the purposes of providing public facilities and services. A CFD is formed for financing purposes only and is governed by the agency that formed it. CFD No. 2008-1 (Harmony Grove Village) was formed using the Act as its authorizing legislation and is being administered consistent with the Act, the RMA and related legislation.

A. FORMATION

On May 14, 2008, the County conducted the Resolution of Intention to form the District by the adoption of Resolution No. 08-084. The qualified electors within the District approved the boundaries of the District and the RMA in accordance with the Act and Proposition 218.

IV. SPECIAL TAX LEVY AND METHOD OF APPORTIONMENT

The methodology employed to calculate and apportion the Special Tax is in accordance with the document entitled the Rate and Method of Apportionment (“RMA”) and the Certificate to Amend Special Tax A for Improvement Area 1 and Improvement Area 2 (“Reduction Certificates”), respectively. The RMA and Reduction Certificates are hereby referenced and summarized but not included in this report; however, the official documents can be requested and provided by the County’s Special Tax administrator, Willdan Financial Services.

A. RATE AND METHOD OF APPORTIONMENT

Pursuant to Section E of the Rate of Method of Apportionment, commencing with Fiscal Year 2008/09 and for each following fiscal year, the County shall determine the Special Tax Requirement and shall levy the Special Tax until the total Special Tax levy equals the Special Tax Requirement.

(FOR DETAILED INFORMATION OF THE SPECIAL TAX REQUIREMENT, PLEASE REFER TO SECTION (II) FINANCIAL OBLIGATIONS, ABOVE).

Special Tax A commencing with Fiscal Year 2008/09 and for each following Fiscal Year, the Board or its designee shall determine the Special Tax Requirement for Facilities and levy the Special Tax A until the amount of Special Tax A levy equals the Special Tax Requirement for Facilities. The Special Tax A shall be levied on each Assessor’s Parcel of Developed Property up to 100% of the applicable Assigned Special Tax. If additional monies are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied proportionately on each Assessor’s Parcel of Undeveloped Property at up to 100% of the Maximum Special Tax for Undeveloped Property.

Developed Property means for each fiscal year, all Taxable Property, exclusive of Taxable Public Property and Taxable Property Owner Association Property, for which a building permit for new construction was issued after January 1, 2008 and on or before May 1 of the Fiscal Year preceding the Fiscal Year for which the Special Taxes are being levied.

Special Tax B commencing with Fiscal Year 2008/09 and for each following Fiscal Year, the Board or its designee shall levy the Special Tax B until the total Special Tax B levy equals the Special Tax Requirement for Services. The Special Tax B shall be levied proportionately each Fiscal Year on each Assessor’s Parcel of

Developed Property at up to 100% of the applicable Maximum Special Tax B as needed to satisfy the Special Tax Requirement for Services.

Further notwithstanding the above, under no circumstances will the Special Tax B levied against any Assessor's Parcel of Residential Property for which a Certificate of Occupancy has been issued be increased by more than ten percent above the amount that would have been levied in that Fiscal Year had there never been any such delinquencies or defaults as a consequence of delinquency or default by the owner of any other Assessor's Parcel within CFD No. 2008-01 (Harmony Grove Village).
