Dear Chair Nathan Fletcher,

The Veterans Democratic Club of San Diego is pleased to support the policy proposals on the agenda, "Prioritizing Our Veterans:
Establishing a Center for Military and Veteran Reintegration in East County."
This measure asks our County team to reimagine the way we provide services to veterans, and create a new veterans service. East area is home to a sizeable Veterans population that is in need of support.

There are many military veterans who reside in East San Diego County, myself included. Therefore, I strongly support the establishment of a resource center for reintegration of military veterans ideally with associated veterans housing located within the East County area.
