OVERVIEW

The San Diego County Board of Supervisors (Board) Policy A-112 and the San Diego County Administrative Code Section 66 requires Board approval to accept gifts and donations over \$5,000. The County of San Diego (County) Health and Human Services Agency, Child and Family Well-Being (CFWB) periodically receives monetary gifts and in-kind donations of over \$5,000 to benefit children temporarily residing at the A.B. and Jessie Polinsky Children’s Center (PCC) and children involved with CFWB. PCC is a County-operated Temporary Shelter Care Facility administered by CFWB and provides 24-hour care for up to 10 calendar days for children and youth under 18 years of age who can no longer safely remain with their family of origin due to abuse, neglect, and/or abandonment.

On April 8, 2025 (5), the Board approved to accept the gifts and donations valued at \$47,893 for Calendar Year (CY) 2024. Today’s action requests the Board to accept gifts and donations valuing \$26,479 for CY 2025 which includes \$20,957 for the benefit of children at PCC and \$5,522 for the benefit of children involved with CFWB.

This item supports the County vision of a just, sustainable, and resilient future for all, specifically those communities and populations in San Diego County that have been historically left behind, as well as our ongoing commitment to the regional *Live Well San Diego* vision of healthy, safe, and thriving communities. This will be accomplished by furthering collective efforts to maximize resources through community partnerships and making these resources available and accessible.

EQUITY IMPACT STATEMENT

The County of San Diego (County) Health and Human Services Agency (HHSA), Child and Family Well-Being (CFWB) periodically receives monetary gifts and in-kind donations of over \$5,000 to benefit children temporarily residing at the A.B. and Jessie Polinsky Children’s Center (PCC) and children involved with CFWB. PCC is a County-operated licensed Temporary Shelter Care Facility

administered by CFWB and provides 24-hour care for up to 10 calendar days for children and youth under 18 years of age who can no longer safely remain with their family of origin due to abuse, neglect, and/or abandonment. Some of the services provided at PCC include physical and mental health services, medication support, and crisis services to all youth entering the facility and throughout their length of stay. In Calendar Year (CY) 2025, PCC served 592 unduplicated children.

PCC represents a unique public-private community partnership that continues to generate periodic gifts and donations from individuals and private corporations for the children residing in this temporary shelter. The partnership maximizes resources available and ensures children at PCC and involved in CFWB have access to gifts and donations that aid youth in maintaining family and community connections and fosters their continued sense of belonging despite the barrier of being unable to safely live with their biological families or in their communities.

Expenditures from gifts and donations received provide all children with increased access to recreational and special events, celebrations, and other items or activities that cannot be funded by other funding sources. Monetary and in-kind donations received are monitored and publicly disclosed through the Child and Family Strengthening Advisory Board meetings and annual reporting to the San Diego County Board of Supervisors.

SUSTAINABILITY IMPACT STATEMENT

As a result of the generous contributions from community members and organizations in San Diego County, donations benefit and enrich the lives of children who are temporarily staying at A.B. and Jessie Polinsky Children's Center (PCC) and involved with the County of San Diego (County) Health and Human Services Agency (HHSA), Child and Family Well-Being (CFWB). The proposed action to accept gifts and donations received by HHSA supports the County Sustainability Goal #1, to engage the community in meaningful ways by building strong collaborations with community partners who provide donations. Additionally, the proposed action supports Sustainability Goal #2, to provide just and equitable access to resource allocation by removing barriers to participation in special events, special activities, and other enhancements that directly benefit the children that would otherwise not be available to them.

FISCAL IMPACT

The County of San Diego Health and Human Services Agency, Child and Family Well-Being (CFWB) received donations valued at \$26,479 between January 2025 and December 2025 to support activities of children at the A.B. and Jessie Polinsky Children's Center and to support children involved with CFWB.
