Subject: [External] CONTRACT FOR THE JESS MARTIN CTY PARK BASKETBALL HALF-COURT (Please include with Land Use Agenda #1)
Date: Thursday, April 17, 2025 3:51:06 PM

Good Afternoon, Supervisors,

The County wants to charge us \$450,000 to design and build a half basketball court at Jess Martin Park. basketball half-court that is approximately 2,100 square feet at an existing County park. There will be no significant adverse impacts on endangered, rare, or threatened species or their habitat, there are no hazardous materials at or around the project site, and there are no significant cumulative conditions.

2023 Cost to build an outdoor basketball court: Half-court — Residential, 30' x 30', \$3,600 – \$14,400. Specifically, I see a 30 x 30 Half court advertised on Google for \$3,095 from ModuTile. Fixr.com says Installing a half basketball court ranges between \$15,500 and \$40,000.

The Board letter says there is nothing special about this. Then what accounts for the outrageous cost? Show me the contract PLEASE.

Regards,

Paul Henkin
