**Subject:** [External] Traffic Signal at Ridge Ranch  
**Date:** Wednesday, August 17, 2022 1:38:25 PM

---

Board of Supervisors,

As a resident of Valley Center, there are many of us who do NOT want to see a light put in at Ridge Ranch. This will be the launching point for drag racing down the grade and the breaking point for large trucks, trailers and RV's that will have to stop on such a steep incline and get started again.

For the approximate 200 residents of that neighborhood, they should be able to make a right turn out of the neighborhood and then a U-turn.

Furthermore, a traffic signal at Mirar De Valle is an obvious higher priority considering the amount of traffic that turns off of Valley Center road or on to Valley Center.

It is also a bit suspicious that Assembly Woman Waldron lives in the Ridge Ranch neighborhood and this traffic signal seems to be the priority.

Please feel free to call or reply to this email with any questions.

Respectfully,  
Mathew Deines
