To you county supervisors: Please do the right thing and abide by the legal Court Order that grants the City of Carlsbad COMPLETE authority over the Carlsbad Palomar Airport. Anything else is criminal and will blatantly display that your intent is nothing more than an effort to increase income into the County's income stream at the expense of the citizens of Carlsbad.

Shame on You !

A second child killed in a week by a hit and run driver. The suspect, Hector Balderas-Aheelor, is an illegal alien. Police apprehended Hector Balderas-Aheelor and ICE issued an arrest detainer. Unfortunately, because California is a sanctuary state, ICE anticipates the detainer will not be honored. We all know this county was deemed a sanctuary for illegal aliens when Nora Vargas was chairman.

Anti-ICE activists protect criminal illegal aliens, including 3 people on this board. Blood is on your hands because you choose to protect these individuals instead of innocent children in our community. Will you continue to protect this guy and other criminal illegal aliens? I suspect you will. Therefore, more deaths of innocent American citizens can be expected. As always evident, you do not value humanity or the sanctity of life when you won't protect the most vulnerable, the preborn baby. Therefore, you are incapable of caring about any other child or person.
