Please allocate funds to repair and maintain the County of San Diego Administration Building on 1600 Pacific Highway. I recently visited the building over Labor Day Weekend 2021, and the touch screen map was not functioning in the lobby, one of the elevators was dark because of unfixed light bulbs, and the water bottle filling station on the 3rd floor in front of the Board of Supervisors Room #335 needed the filter to be changed (yellow light on). Please remember to maintain the details.
