Not sure if a Childrens' Crisis Facility really has that much to do with behavioral health. I see that you want to fund a new Childrens' Crisis Facility Will this replace Polinsky? 'Cause that's different. I'm sure that most of Polinsky kids have behavioral problems, too. And I'm thinking that this would be a good time to hire some legal experts on the staff and record what goes on in every room.

On the other hand, when I hear "The SURTS facility will help meet the unmet and rising need for residential treatment options, I think Polinsky, so I do hope residential means at home as long as is possible.
