RE: Item 1, March 25, 2026, Award contract for Tijuana River Valley Regional Park restoration - Support

Dear Chair Lawson-Remer and Board Members:

Endangered Habitats League (EHL) *supports* the acceptance of monies and the awarding of a contract to restore degraded land in the Tijuana River Valley Regional Park. It will directly benefit local Environmental Justice communities near the border impacted by pollution. Funds will come from the US Navy Readiness and Environmental Protection Integration (REPI) program. Removing dilapidated buildings and restoring native vegetation will increase water infiltration and water quality, contribute to the Multiple Species Conservation Program, and reduce heat island effects.

We appreciate the leadership of the County in securing these funds.

Yours truly,
Dan Silver
