I am a supporter of pregnancy resource centers in our county. I have volunteered at one and know how they provide free services to those in need, women and men who cannot pay for a wide variety of services and material goods as well. If a woman has chosen to keep her baby and is in need, these Pregnancy Centers are there to help provide support. No other entity is doing that in our county. It makes no sense to get rid of this means of support for our lowest income families. We need them!
