Subject: [External] REGIONAL COMMUNICATIONS SYSTEM REVENUE AGREEMENT WITH MTS (PLEASE INCLUDE WITH DOCUMENTS FOR AGENDA #3)
Date: Thursday, December 5, 2024 1:47:47 PM

Hi Supervisors,

I am all for communication – around the County Government establishments, it sucks. There is not even an attachment supporting the need for 130 more radios. Maybe the Clerk of the Board who approved the agreement in 2016 Has it. It should be available and linked. For an office that is part of the County departmental structure, whether or not the sheriff is elected separately, that is a bold move.

If this is the San Diego – Imperial County network, what are they putting in and why no mention of it. And would not inter County operations be a State issue? Why are we managing it? I do not think we should be.

Regards,

Paul Henkin
