This is to advise that the County of San Diego Board of Supervisors has approved the above-described project on December 9, 2025 (#), and found the project to be exempt from the CEQA under the following criteria:

Exempt status and applicable section of the CEQA (“C”) and/or State CEQA Guidelines (“G”): (check only one)

- ☐ Declared Emergency [C 21080(b)(3); G 15269(a)]
☐ Emergency Project [C 21080(b)(4); G 15269(b)(c)]
☐ Statutory Exemption. C Section:
☒ Categorical Exemption. G Section(s): 15301 Existing Facilities
☐ G 15182 – Residential Projects Pursuant to a Specific Plan
☐ Activity is exempt from the CEQA because it is not a project as defined in Section 15378.
☐ G 15061(b)(3) - It can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment and the activity is not subject to the CEQA.

Statement of reasons why project is exempt:

The Lease Amendment is categorically exempt from CEQA pursuant to Section 15301, Existing Facilities, as it involves the approval of a lease amendment for use and improvement of additional office space and parking within an existing building, extending the term of an existing lease for use of an existing building that does not expand the current use of the building. The lease amendment would allow for the provision of the same services and use as currently provided. Further, no exceptions in CEQA Section 15300 apply to this project. Additionally, the project will not impact environmental resources of hazardous or critical concern that are designated, precisely mapped and officially adopted by government agencies; does not contribute to cumulative environmental impact; will not have a significant impact on the environment due to unusual circumstances; does not damage scenic resources within a designated state scenic highway; is not on the list of Hazardous Waste and Substance Sites pursuant to Section 65962.5 of the Government Code; and does not cause adverse change in the significance of a historical resource.
