Looks good. Pls add the word “**a**” after the word “is” highlighted below in the Equity Impact Statement. Thank you.

Victim access to objective forensic science support without bias **is critical** component of the justice system. Continuing to provide funding for these positions is essential to ensuring that all citizens can feel safe in their communities.

Hi Vladimir,

Requesting a slight rearranging of the first two sentences in the Fiscal Statement so it reflects this order:

<p>FISCAL IMPACT If approved, these requests will result in Fiscal Year 2022-23 estimated costs and revenue of \$249,466. <u>Funds for these requests will be included in the Fiscal Year 2022-24 CAO Recommended Operational Plan for the Sheriff's Department.</u> The funding source is the Sheriff Fingerprint ID Trust Fund. Costs through the contract term, estimated at \$249,466 annually, will be included in future Operational Plans for the Sheriff's Department. There will be no change in net General Fund costs and no additional staff years.</p>	<p>Kennedy, Toroshinia Moved down [1]: Funds for these requests will be included in the Fiscal Year 2022-24 CAO Recommended Operational Plan for the Sheriff's Department. →</p> <p>Kennedy, Toroshinia Moved (insertion) [1] →</p>
