To the Viejas Band of Kumeyaay,

On behalf of the Board of Supervisors and the County of San Diego, I would like to extend our sincere appreciation for your generous donation of a Type III ambulance to County Fire.

This contribution significantly enhances emergency medical service capabilities within our rural communities and expands critical coverage to the Viejas Reservation. The partnership between the Viejas Band of Kumeyaay and County Fire is deeply valued by this Board, and your continued support strengthens our shared commitment to public safety and interagency collaboration.

Your donation directly supports the County of San Diego's Strategic Plan safety initiative by increasing the availability and reach of emergency medical services for residents throughout the region, and we are profoundly grateful for your generosity. This donation will have a meaningful and lasting impact on our ability to deliver high-quality emergency response services to our communities.

Sincerely,
