MINUTE ORDER NO. 5

**SUBJECT: EMERGENCY SERVICES - 2023 HOMELAND SECURITY GRANT PROGRAM
AND EMERGENCY MANAGEMENT PERFORMANCE GRANT PROGRAM
GOVERNING BODY RESOLUTION (DISTRICTS: ALL)**

OVERVIEW

The U.S. Department of Homeland Security provides funding to the California Governor's Office of Emergency Services (Cal OES) through the Homeland Security Grant Program which includes the State Homeland Security Program and the Urban Areas Security Initiative and the Emergency Management Performance Grant Program. The County of San Diego Office of Emergency Services (OES) is responsible for administering and distributing the State Homeland Security Grant Program funds in the region for prevention, preparedness and response efforts related to terrorism and other catastrophic events. The purpose of the State Emergency Management Performance Grants is to support comprehensive emergency management and to encourage the improvement of mitigation, preparedness, response, and recovery capabilities for all hazards.

On September 15, 2015 (3) (6), the Board of Supervisors authorized OES to apply for and accept Homeland Security Program Grants and Emergency Management Performance Grants in subsequent years. In 2023, OES submitted Fiscal Year 2023 applications to the California Governor's Office of Emergency Services for both the Homeland Security Grant Program and the Emergency Management Performance Grant Program. OES received a notification of award on October 18, 2023, for the State Homeland Security Grant Program (\$3,210,706), and on October 16, 2023, for the Emergency Management Performance Grant Program (\$775,605).

This is a request to adopt a governing body resolution for the Fiscal Year 2023 State Homeland Security Program and Emergency Management Performance Grant Program which will authorize the Deputy Chief Administrative Officer, Public Safety Group, or the Director or Assistant Director of OES to execute any actions necessary for the purposes of these grants and accept grant funding in the amount of \$3,986,311.

EQUITY IMPACT STATEMENT

The Office of Emergency Services (OES) recognizes the systemic impacts that inequitable policies may create for residents of the county of San Diego. Impacts have historically included outcomes related to racial justice and issues of belonging that may be reflected in the programs, services and resources allocated to communities. To combat terrorism and improve response to all hazards in the community more proportionately, OES will continue to take a whole community approach in emergency management and, through an equity lens, collaborate with partner agencies to implement projects and policies to address gaps in underserved areas. OES anticipates these actions will have a positive effect on all San Diego County residents and increase preparedness and resiliency in all communities across the region.

SUSTAINABILITY IMPACT STATEMENT

The proposed action to authorize the Director of the Office of Emergency Services, or designee, to accept grant funds from the State Homeland Security Grant Program and Emergency Management Performance Grant Program, along with adopting a resolution of the Board of Supervisors of the County of San Diego relating to the State Homeland Security Grant Program and Emergency Management Performance Grant, contributes to the County of San Diego's Sustainability Goal to protect the health and wellbeing of citizens. These actions will impact the sustainability of health and wellbeing by providing emergency management planning, outreach, and equipment necessary to mitigate terrorism and all hazards across the San Diego region.
