BOARD POLICIES APPLICABLE:
Board Policy B-29, Fees, Grants, Revenue Contracts - Department Responsibility for Cost Recovery

BOARD POLICY STATEMENTS:
A waiver of Board Policy B-29 is requested because the agreement will only partially offset the operational costs of the School Resource Officer positions. Grossmont Union High School District provides funding for two SROs and 50% of the funding for four full time SROs for approximately 186 school days, with the remaining costs funded by the County of San Diego. In the absence of the agreement, the County would still be responsible for responding to criminal incidents occurring in the school district. This agreement maintains the Sheriff's presence in the school district, deterring potential criminal acts.
