ANNUAL REVIEW OF INCOMPATIBLE ACTIVITIES STATEMENTS FOR MEMBERS OF DECISION-MAKING BOARDS, COMMISSIONS AND COMMITTEES

This memorandum is being sent to you pursuant to the Board of Supervisors' rules governing incompatible activities, as required by Resolution 01-207. These rules require members of decision-making boards, commissions, and committees to submit annual statements of outside activities relating to County duties. The rules require that those statements be reviewed by the Incompatible Activities Committee if County Counsel determines an outside activity is incompatible with a member's duties.

On May 15, 2025, the Clerk of the Board of Supervisors sent notices via e-mail to all members of decision-making boards, commissions, and committees, requesting that they provide an updated Incompatible Activities Report, Form 519 (Attachment 1). Reminder letters were sent via certified mail on June 24, 2025. Responses were received from 33 filers. There were 36 individuals subject to this request (Attachment 2, Incompatible Activities Report). Of the 33 respondents, 6 indicated they are not involved in incompatible activities. The remaining 27 respondents indicated some activities for review by County Counsel.

The Statements of the 33 individuals listed below have been initially reviewed by County Counsel (Attachment 3):

- **Assessment Appeals Board:** Alleda Harrison, Marcia Nordstrom, Ron Brownell, Zarina Jackson, Daniel H. Dennison Jr., Rebecca Pollack-Rude, Timothy J. Cassidy, William Teglia, Lloyd Schwartz, Michael Anderson, Michael Rhea, Sheri Jones, Ditas Yamane, Lisa "Chris" Anderson, Stephen Cushman and Robert Pearman.

- **County Hearing Officers:** Benjamin Aguilar, James P. Miller Jr., John Martin, Larry D. Dershem, Luis Osuna, Lei-Chala Wilson, and Robert Pearman.

- **Eye Gnat Abatement Appeals Board: Jake Banfield-Weir and Mark Ostrander**

- **Fly Abatement Appeals Board:** August Fluegge III, David Faulkner, Frank Hilliker and Kiah DeSarro.

- **Planning Commission:** Colton Sudberry, Michael M. Edwards, Ronald C. Ashman, and Yolanda Calvo.

Pursuant to the Incompatible Activities Rules, these activities were reviewed by County Counsel, and it was determined that no incompatible activities exist. **Therefore, no action is required by the Incompatible Activities Committee.**

If you believe further action is warranted, please contact me by September 15, 2025. If there are no responses by that date, the report will be filed, and this process will be considered complete for 2025.

Thank you for your assistance.

Sincerely,

ANDREW POTTER

Resolution No. 01-207

RESOLUTION OF THE BOARD OF SUPERVISORS ENACTING AMENDED RULES GOVERNING APPLICATION OF INCOMPATIBLE ACTIVITIES LAW

On motion of Supervisor Jacob, seconded by Supervisor Roberts, the following resolution is adopted;

WHEREAS, every officer and employee of the County of San Diego occupies a position of public trust and owes at all times a duty to act in the best interests of the public rather than in his or her personal interest; and

WHEREAS, Article 4.7 (commencing with Section 1125), Chapter 1, Division 4 of the Government Code prohibits County officers and employees from engaging in any outside employment or activity which is incompatible with the duties of his or her County office and authorizes this Board of Supervisors to adopt rules and regulations governing the application of this law; and

WHEREAS, on February 29, 1972, the Board of Supervisors by resolution enacted rules governing the application of incompatible activities law; and

WHEREAS, on November 17, 1981, and November 11, 1998, the rules were amended; and

WHEREAS, the Board of Supervisors again desires to amend the rules set forth in the resolution of November 11, 1998, to: (1) require that, prior to appointment by the Board of Supervisors to a board, commission or other group whose duties are not purely advisory, candidates shall be evaluated as to whether any of their outside employment or activities engaged in for compensation would be incompatible with the duties of the proposed appointment; (2) require persons appointed by the Board of Supervisors to boards, commissions or other groups to annually disclose in writing their outside employment or activities engaged in for compensation; and (3) clarify the appeal rights of such appointees to boards, commissions and other groups; NOW THEREFORE

IT IS RESOLVED AND ORDERED by the San Diego County Board of Supervisors that the Rules Governing Application of Incompatible Activities Law be and hereby are amended to read as follows:

1. APPOINTING AUTHORITIES TO ADOPT RULES. Each appointing authority of the County of San Diego, other than the Board of Supervisors, shall formulate rules specifying those activities for compensation outside of the normal duties of officers and employees under its jurisdiction which are inconsistent with, incompatible to, or in conflict with their duties as County officers or employees. Such rules may prohibit an officer or employee's outside activity or employment if:

(a) it involves the use for private gain or advantage of his or her county time, facilities, equipment or supplies; or the badge, uniform, prestige or influence of his/or her county office or employment, or

(b) it involves the receipt by the officer or employee of any money or other consideration from anyone other than the County for the performance of an act which the officer or employee, if not performing such act, would be required or expected to render in the regular course or hours of his or her County employment or as a part of his or her duties as a County officer or employee, or

(c) it involves the performance of an act in other than his or her capacity as a county officer or employee which act may later be subject directly or indirectly to control, inspection, review, audit, or enforcement of any other officer or employee of the County, or

(d) it involves such time demands as would interfere with the efficient performance of his or her County duties.

Service on an appointed or elected government board, commission, committee, or other body by an attorney employed by the County in a nonelective position shall not, by itself, be deemed to be inconsistent, incompatible, in conflict with, or inimical to the duties of the attorney as an officer or employee of the County.

Such rules shall provide for disclosure by officers and employees of their outside activities for compensation which relate to their county duties or which may be subject to review by any other officer, employee, board or commission of the County. Approval of such outside activities shall be based on a determination by the appointing authority that the activity in

question is not in conflict with the officer's or employee's County responsibilities. Such rules shall state that disciplinary action may be taken against any employee engaging in a prohibited outside activity.

2. RULES SUBJECT TO MEET AND CONFER PROVISIONS. The development of the rules of each appointing authority regarding prohibited outside activities shall be subject to the meet and confer provisions of the San Diego County Labor Relations Ordinance. For purposes of such provisions, "appropriate levels of County management" as specified in the Ordinance shall include Agency Heads, where the appointing authority is within a department identified as being within an Agency.

3. REVIEW DEPARTMENTAL RULES. The rules formulated by each appointing authority shall be submitted to the appropriate Agency Head who shall review said rules and forward them, together with comments and recommendations, to a Committee on Incompatible Activities composed of the Chief Administrative Officer, Auditor and Controller, Director of Human Resources and County Counsel, or their designees. The Clerk of the Board shall serve as Clerk to the committee and shall maintain the Committee's documents and copies of adopted rules in the County's official records. Where the department is not identified as within an agency, the proposed rules shall be submitted by the appointing authority directly to the Committee on Incompatible Activities. Said Committee shall review the proposed rules of each appointing authority and submit the rules, together with their recommendations thereon, to the Board of Supervisors for consideration and action. Officers and employees shall be given prior notification of the review and such review shall constitute their right of appeal from the determination of prohibited activities.

4. NOTICE TO OFFICERS AND EMPLOYEES. After approval of the rules of an appointing authority by the Board of Supervisors, the appointing authority shall provide each officer and employee of his or her jurisdiction with a copy of the rules for his or her department. New officers and employees appointed after the original distribution of the rules shall be provided with a copy of the same immediately upon entry into that department. Each officer and employee shall be notified by his or her appointing authority of any additions to, or changes in, the list of specifically prohibited activities.

5. VIOLATION GROUNDS FOR DISCIPLINE. Participation in any prohibited activity by any classified officer or employee, after proper notification of such prohibition pursuant to these

rules, may be cause for suspension, demotion, reprimand, transfer, or removal within the provisions of the Charter of the County of San Diego, and the Civil Service Rules. The provisions of Civil Service Rule VII as to notice and hearing shall be applicable to any determination that a classified officer or employee has engaged in any prohibited outside activity. Any unclassified officer or employee may, upon determination by his or her appointing authority that he or she has engaged in a prohibited activity, request a hearing before his or her appointing authority, and such hearing shall be given to the employee within a reasonable time. Participation in any prohibited activity by any unclassified officer or employee may be cause for discipline or removal.

6. PERSONS APPOINTED BY THE BOARD OF SUPERVISORS TO BOARDS, COMMISSIONS, OR OTHER GROUPS.

(a) Prior to a candidate's appointment by the Board of Supervisors to a board, commission or other group whose duties are not purely advisory, the candidate shall complete and file an incompatible activities disclosure form with the Clerk of the Board of Supervisors. Where the process for appointment requires that the candidate be nominated for the appointment, the candidate shall file the form prior to such nomination. The candidate shall complete the form by identifying all of his or her outside employment or activities engaged in for compensation. The Clerk shall transmit the form to the County Counsel, who shall make a preliminary determination whether the identified employment or activities may be incompatible with the duties of the proposed appointment. The factors described in subparagraphs (a) through (d) of paragraph 1 above shall be utilized in making this determination. If the County Counsel determines that the identified outside employment or activities are not incompatible with the proposed appointment, that determination shall be entered on the form, and the form shall be filed with the Clerk. If the County Counsel determines that the identified outside employment or activities may be incompatible with the proposed appointment, the County Counsel shall inform the Clerk of the Board, and the Clerk shall call a meeting of the Incompatible Activities Committee to consider the matter. The Committee may decide to invite the candidate to meet with the Committee to provide information concerning the candidate's outside paid activity. The Committee shall determine whether the identified outside employment or activity is incompatible with the proposed appointment. If the Committee's determination is that the outside employment or activity is incompatible, the candidate shall be deemed not qualified for the appointment. The Committee shall advise the

candidate, the Board of Supervisors and the Clerk of its determination of whether the candidate's outside paid activity is incompatible with the duties of his/her duties on the County board, commission or other group.

(b) Those persons appointed by the Board of Supervisors to County office, or to boards, commissions, and other groups whose duties are not purely advisory shall annually disclose to the Clerk of the Board of Supervisors in writing any outside employment or activity engaged in for compensation. Pursuant to paragraph 6.a. of this Resolution, the County Counsel and, if necessary, the Committee on Incompatible Activities, shall review the submitted activities and approve or disapprove the outside employment or activity. An appointee of the Board of Supervisors whose outside activities are disapproved by the Committee may appeal to the Board of Supervisors a determination of incompatibility, for a hearing pursuant to paragraph 5.

7. ADVISORY BOARDS. The foregoing provision shall not be applicable to boards and commissions and other groups whose duties are purely advisory.

SUBJECT: **AMENDMENT TO RESOLUTION OF THE BOARD OF SUPERVISORS ENACTING AMENDED RULES GOVERNING APPLICATION OF INCOMPATIBLE ACTIVITIES LAW (DISTRICTS: ALL)**

OVERVIEW:
The County of San Diego's commitment to the highest standards of ethical and legal conduct is in recognition of its mission to serve the residents of the County of San Diego. Our employees are dedicated to creating a government that earns the support and respect of the public by being responsive and responsible. The citizens of the County are our customers who deserve to be treated fairly and honestly in their dealings with the County.

The proposed "Rules Governing Application of Incompatible Activities Law" establishes prohibitions for County officers and employees, and for persons appointed by the Board of Supervisors to County boards and commissions, from engaging in outside employment or activities for compensation which are incompatible with their County duties.

This report recommends that the Incompatible Activities Rules be revised in two aspects: The first amendment would require the appointees to boards and commissions to file disclosure forms annually, and would clarify the appeal rights of the appointees. The second amendment would require candidates for appointment by the Board of Supervisors to certain boards and commissions to be evaluated as to possible incompatible activities prior to being appointed.

Yes, that would be good. I checked InSite, and we have her listed as an employee as a member of the AAB. That must be why she has an employee ID. We need to make sure the BCC members (even if paid) are following the same process. Thanks.

Randall,

Ms. Pollack-Rude is not a County employee. I believe our past HR person had her fill out the incorrect form when she was completing the initial appointment paperwork.

Would you like for us to have her complete the correct form?

I've reviewed. My only question is about Pollack-Rude. She is an employee, and I don't normally review employee disclosures. That should go to Andrew as the appointing authority. The others are all fine.

MINUTE ORDER NO. 18

SUBJECT: THE BOARD OF SUPERVISORS OF THE COUNTY OF SAN DIEGO AUTHORIZING SCHOOL DISTRICTS AND COMMUNITY COLLEGE DISTRICTS TO ISSUE AND SELL BONDS DIRECTLY, PURSUANT TO STATE LAW, APPROVING CERTAIN FORMS AND AUTHORIZING EXECUTION OF SUCH DOCUMENTS (DISTRICTS: ALL)

OVERVIEW

School Bonds ("Bonds") are voter-approved long-term debt instruments which are secured by the legal obligation to levy and collect ad valorem property taxes sufficient to pay annual debt service on the bonds. Because these bonds are secured by the taxing power of the school or college district, they are considered to pose the lowest risk to the investor and, therefore, provide the lowest borrowing cost to the school or college district of any of the financing techniques available. Bonds have become the primary financing tool used by California school and community college districts (collectively referred to as "school districts") to construct or improve school facilities. School districts also issue their own refunding bonds to reduce the debt service costs for previously issued general obligations or to eliminate or modify one or more restrictive provisions imposed on the school district by the refunded bonds.

In accordance with both Article 4.5 of Chapter 3 of Part 1 of Division 2 of Title 5 of the California Government (Government Code) and California Education Code Section 15140 (Education Code), school districts have the authority to issue bonds or refund bonds. Under the Education Code, bonds of school districts are offered for sale by the Board of Supervisors. However, the Education Code also permits the Board of Supervisors to authorize any school district within the County of San Diego which has not received a qualified or negative certification in its most recent interim report, to issue and sell bonds on its own behalf. This authority can be given on a per issuance basis or can be done on a broader basis in a single resolution for all issuances of bonds by school districts that meet the qualifications within its jurisdiction.

Today's recommendation requests adoption of a single resolution to authorize the issuance of bonds by school districts in San Diego County that have not received a qualified or negative certification in its most recent interim report, authorize the Treasurer-Tax Collector to execute Paying Agent and Investment Management Agreements, where applicable, direct the Auditor and Controller to maintain the tax roll for these new money and refunding general obligation bonds, and authorize execution of such documents in connection with the issuance of general obligation bonds.

RECOMMENDATION(S)
CHIEF ADMINISTRATIVE OFFICER
Adopt a resolution entitled:
RESOLUTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF SAN DIEGO, STATE OF CALIFORNIA, AUTHORIZING SCHOOL DISTRICTS AND COMMUNITY COLLEGE DISTRICTS UNDER JURISDICTION OF THE SUPERINTENDENT OF SCHOOLS OF THE COUNTY TO ISSUE AND SELL BONDS DIRECTLY, PURSUANT TO STATE LAW, APPROVING THE FORM OF A PAYING AGENT AGREEMENT AND AN INVESTMENT MANAGEMENT AGREEMENT AND AUTHORIZING EXECUTION OF SUCH DOCUMENTS IN CONNECTION WITH THE ISSUANCE OF SUCH BONDS

EQUITY IMPACT STATEMENT
The issuance of Bonds is a vital financing mechanism for school districts in our community. The proceeds from the voter approved bonds are used to provide much needed infrastructure and equipment to school districts that might not otherwise have the resources for the acquisition and/or construction of these public improvements. There is strong evidence that high-quality infrastructure facilitates better instruction, improves student outcomes, and reduces dropout rates, among other benefits. The proceeds of each bond issue by school and college districts with a positive certification will be used for purposes specified in the voter approved measure or proposition. To ensure bond proceeds are spent in accordance with Proposition 39, an oversight committee is established to update and advise the public on the status of the bond proceeds and the school district will conduct annual, independent performance and financial audits.

FISCAL IMPACT
The issuance of any new money general obligation bonds or refunding of general obligation bonds will be general obligations of that District to be paid from ad valorem property taxes levied within the boundaries of that school district, and do not constitute an obligation of the County.

SECTION 2.03 Form and Registration of Bonds. (a) The Bonds, including the Paying Agent's certificate of authentication and registration and the form of assignment to appear thereon, shall be in substantially the form attached hereto as Exhibit A, with necessary or appropriate variations, omissions and insertions as permitted or required by this Paying Agent Agreement and may be delivered in typewritten form.

(b) The Bonds when issued shall be registered in the name of "Cede & Co.," as nominee of The Depository Trust Company, New York, New York, and shall be initially issued as one bond for each of the maturities of the Bonds, in the principal amounts set forth in the table in Section 2.02. The Depository Trust Company is hereby appointed depository for the Bonds and registered ownership of the Bonds may not thereafter be transferred except as provided in Sections 2.06 and 2.07 hereof. Execution and Authentication of Bonds. The Bonds shall be signed by the manual or facsimile signature of the President of the Governing Board, and countersigned by the manual or facsimile signature of the Secretary to the Governing Board or their designee. Each Bond shall be authenticated by a manual signature of a duly authorized officer of the Paying Agent. Only such of the Bonds as shall bear thereon a certificate of authentication and registration in the form given in Exhibit A hereto, executed by the Paying Agent, shall be valid or obligatory for any purpose or entitled to the benefits of this Paying Agent Agreement, and such certificate of the Paying Agent shall be conclusive evidence that the Bonds so authenticated have been duly authenticated and delivered hereunder and are entitled to the benefits of this Paying Agent Agreement.

SECTION 2.05 Book-Entry System. (a) The Bonds shall be initially issued and registered as provided in Section 2.03 hereof. Registered ownership of the Bonds, or any portion thereof, may not thereafter be transferred except:

(i) To any successor of Cede & Co., as nominee of The Depository Trust Company, or its nominee, or to any substitute depository designated pursuant to clause (ii) of this Section (a "substitute depository"); provided, that any successor of Cede & Co., as nominee of The Depository Trust Company or substitute depository, shall be qualified under any applicable laws to provide the services proposed to be provided by it;

(ii) To any substitute depository not objected to by the District, upon (A) the resignation of The Depository Trust Company or its successor (or any substitute depository or its successor) from its functions as depository, or (B) a

determination by the District to substitute another depository for The Depository Trust Company (or its successor) because The Depository Trust Company or its successor (or any substitute depository or its successor) is no longer able to carry out its functions as depository; provided, that any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(iii) To any person as provided below, upon (A) the resignation of The Depository Trust Company or its successor (or substitute depository or its successor) from its functions as depository, or (B) a determination by the District to remove The Depository Trust Company or its successor (or any substitute depository or its successor) from its functions as depository.

(b) In the case of any transfer pursuant to clause (i) or clause (ii) of subsection (a) hereof, upon receipt of the outstanding Bonds by the Paying Agent, together with a Written Request of the District, a new Bond for each maturity shall be executed and delivered pursuant to the procedures described in Section 2.04 hereof in the aggregate principal amount of the Bonds then outstanding, registered in the name of such successor or such substitute depository, or their nominees, as the case may be, all as specified in such Written Request of the District. In the case of any transfer pursuant to clause (iii) of subsection (a) hereof, upon receipt of the outstanding Bonds by the Paying Agent together with a Written Request of the District, new Bonds shall be executed and delivered in such denominations numbered in the manner determined by the Paying Agent and registered in the names of such persons as are requested in such Written Request of the District, subject to the limitations of Sections 2.02 and 2.03, as applicable, and the receipt of such a Written Request of the District, and thereafter, the Bonds shall be transferred pursuant to the provisions set forth in Section 2.06 of this Paying Agent Agreement; provided, that the Paying Agent shall not be required to deliver such new Bonds within a period of fewer than 60 days. The District and the Paying Agent shall be entitled to treat the person in whose name any Bond is registered as the Owner thereof, notwithstanding any notice to the contrary received by the District or the Paying Agent, the District and the Paying Agent shall have no responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Bonds. Neither the District nor the Paying Agent shall have any responsibility or obligation, legal or otherwise, to the beneficial owners or to any other party including The Depository Trust Company or its successor (or substitute depository or its successor), except as the Owner of any Bonds. So long as the outstanding Bonds are registered in the name of Cede & Co. or its registered assigns, the District and the Paying Agent shall cooperate with Cede & Co., as sole Owner, or its registered assigns, in effecting payment of the principal of and interest on the Bonds by arranging for payment in such manner that funds for such payments are properly identified and are made immediately available (e.g., by wire transfer) on the date they are due. Transfer of Bonds upon Termination of Book-Entry System. In the event that at any time the Bonds shall no longer be registered in the name of Cede & Co. as a result of the operation of Section 2.05 hereof, then the procedures contained in this Section 2.06 shall apply.

Any Bond may, in accordance with its terms, be transferred upon the books required to be kept pursuant to the provisions of Section 2.08 hereof by the person in whose name it is registered, in person or by the duly authorized attorney of such person, upon surrender of such Bond to the Paying Agent for cancellation at the office of the Paying Agent designated for that purpose, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Paying Agent.

Whenever any Bond or Bonds shall be surrendered for transfer, the designated District officials shall execute (as provided in Section 2.04 hereof) and the Paying Agent shall authenticate and deliver a new Bond or Bonds of the same maturity, for a like aggregate principal amount and bearing the same rate or rates of interest. The Paying Agent shall require the payment by the Bondowner requesting any such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

No transfer of Bonds shall be required to be made by the Paying Agent during the period from the close of business on the Record Date next preceding any Interest Payment Date or the date fixed for redemption to and including such Interest Payment Date or the date fixed for redemption.

SECTION 2.07 Exchange of Bonds. Bonds may be exchanged at the office of the Paying Agent designated for that purpose, for a like aggregate principal amount of Bonds of other authorized denominations of the same maturity and interest rate. The Paying Agent shall require the payment by the Bondowner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange. No exchange of Bonds shall be required to be made by the Paying Agent during the period from the close of business on the Record Date next preceding any Interest Payment Date or date fixed for redemption to and including such Interest Payment Date or the date fixed for redemption.

SECTION 2.08 Bond Register. (a) The Paying Agent will keep or cause to be kept, at the place it shall designate for the purpose, sufficient books for the registration and transfer of the Bonds, which shall at all times be open to inspection by the Treasurer-Tax Collector and the District, and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said books, Bonds as hereinbefore provided.

(b) The Paying Agent shall assign each Bond authenticated and registered by it a distinctive letter or number, or letter and number.

ARTICLE III

ISSUANCE OF THE BONDS

SECTION 3.01 Delivery of Bonds. The Paying Agent is hereby authorized to authenticate and deliver the Bonds to or upon the Written Request of the District upon receipt of the purchase price of the Bonds from the purchaser thereof.

SECTION 3.02 Application of Proceeds of Sale of Bonds. Upon the receipt from the purchaser of the Bonds by the Treasurer-Tax Collector and the Paying Agent, respectively, of their respective portions of the purchase price of the Bonds of $126,268,564.55 (consisting of the par amount thereof, plus the original issue premium of $6,658,564.55, less the underwriters' discount of $390,000.00), the District shall cause the respective portions of the purchase price of the Bonds to be deposited with the Treasurer-Tax Collector and Paying Agent, respectively, and the Treasurer-Tax Collector and Paying Agent shall deposit (or transfer) said amounts as follow:

(i) the Treasurer-Tax Collector shall deposit $119,320,000.00 in the Building Fund of the District related to the Bonds;

(ii) the Treasurer-Tax Collector shall deposit $6,658,564.55 in the Interest and Sinking Fund of the District related to the Bonds; and

(iii) the Paying Agent shall deposit $290,000.00 to the Costs of Issuance Account, which is hereby created and which shall be held and administered by the Paying Agent hereunder. Amounts deposited in the Costs of Issuance Account shall be paid on the Written Order of the District. Pursuant to the Written Order of the District, the Paying Agent shall transfer any remaining amounts in the Costs of Issuance Account to the Treasurer-Tax Collector for deposit in the Building Fund of the District.

SECTION 3.03 Investment of Funds. The proceeds from the sale of the Bonds, exclusive of any premium and accrued interest received and excluding the amount deposited in the Costs of Issuance Account, shall be deposited in the County treasury to the credit of the Building Fund of the District. Any premium and accrued interest shall be deposited upon receipt in the Interest and Sinking Fund of the District within the County treasury. Earnings on the investment of moneys in either fund shall be retained in that fund and used only for the purposes to which that fund may lawfully be applied. Moneys in the Building Fund may only be applied for the purposes for which the Bonds were approved. Moneys in the Interest and Sinking Fund may only be applied to make payments of interest, principal, and premium, if any, on bonds of the District.

All funds held by the Treasurer-Tax Collector with respect to the Bonds shall be invested by the Treasurer-Tax Collector in the County Investment Pool, the Local Agency Investment Fund, any investment authorized by this Paying Agent Agreement or pursuant to Sections 53601 and 53635 of the Government Code, or in investment agreements, including guaranteed investment contracts, float contracts or other investment products (hereinafter

collectively referred to as "Investment Agreements"); provided that such agreements comply with the requirements of Section 148 of the Code, and with the requirements of each rating agency then rating the Bonds necessary in order to maintain the then-current rating on the Bonds, if any. The Treasurer-Tax Collector shall assume no responsibility in the reporting, reconciling or monitoring of the investment of proceeds related to the Bonds.

The Authorized Representative may request the Treasurer-Tax Collector, subject to his or her fiduciary responsibilities, to invest funds held in the Interest and Sinking Fund of the District and in the Building Fund of the District or otherwise under this Paying Agent Agreement in specific investments or in Investment Agreements so as to effectively coordinate the investments to the construction program of the District and the debt service payments on the Bonds or to comply with the tax covenants of the District. The Authorized Representative is hereby authorized to establish accounts with banking institutions to the extent necessary or convenient to provide for the management of any such investments outside the County Investment Pool.

Pursuant to Section 5922 of the Government Code, the Board hereby finds and determines that in such event the Investment Agreements will reduce the amount and duration of interest rate risk with respect to amounts invested pursuant to the Investment Agreements and are designed to reduce the amount or duration of payment, rate, spread or similar risk or result in a lower cost of borrowing when used in combination with the Bonds or enhance the relationship between risk and return with respect to investments of proceeds of the Bonds and funds held to pay the Bonds.

ARTICLE IV

REDEMPTION OF THE BONDS

SECTION 4.01 Redemption of Bonds.

(a) Optional Redemption. The Bonds maturing on or before August 1, 2028, are not subject to optional redemption prior to their respective stated maturity dates. The Bonds maturing on or after August 1, 2036, are subject to optional redemption prior to their respective stated maturity dates, at the option of the District, from any source of available funds, as a whole or in part on any date on or after August 1, 2035, at a redemption price equal to 100% of the principal amount of Bonds to be redeemed, without premium, together with accrued interest thereon to the date fixed for redemption.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

(b) Mandatory Sinking Fund Redemption. The Bonds maturing on August 1, 2051 (the "2051 Term Bonds"), are subject to mandatory sinking fund redemption on August 1 of each year, commencing August 1, 2047, at a redemption price equal to 100% of their principal amount, together with accrued interest thereon to the date fixed for redemption, without premium, on the dates and in the aggregate principal amounts listed below:

Redemption Date (August 1)	Principal Amount to be Redeemed
2047	$ 4,650,000
2048	5,125,000
2049	5,635,000
2050	6,175,000
2051[1]	6,755,000
Total	$28,340,000

[1] Maturity.

In the event that a portion of the 2051 Term Bonds is optionally redeemed prior to maturity, the remaining mandatory sinking fund payments shown above shall be reduced proportionately or as otherwise directed by the District, in integral multiples of $5,000 principal amount, with respect to the portion of such 2051 Term Bonds optionally redeemed.

The Bonds maturing on August 1, 2055 (the "2055 Term Bonds"), are subject to mandatory sinking fund redemption on August 1 of each year, commencing August 1, 2052, at a redemption price equal to 100% of their principal amount, together with accrued interest thereon to the date fixed for redemption, without premium, on the dates and in the aggregate principal amounts listed below:

Redemption Date (August 1)	Principal Amount to be Redeemed
2052	$ 7,370,000
2053	8,025,000
2054	8,725,000
2055[1]	9,465,000
Total	$ 33,585,000

[1] Maturity.

In the event that a portion of the 2055 Term Bonds is optionally redeemed prior to maturity, the remaining mandatory sinking fund payments shown above shall be reduced proportionately or as otherwise directed by the District, in integral multiples of $5,000 principal amount, with respect to the portion of such 2055 Term Bonds optionally redeemed.

(c) Selection of Bonds for Redemption. If less than all of the Bonds are called for redemption, such Bonds shall be redeemed in inverse order of maturities or as otherwise directed by the District. If less than all of the Bonds of any given maturity are called for redemption, the portions of such Bonds of a given maturity to be redeemed shall be determined by lot. For purposes of such selection, each Bond shall be deemed to consist of individual Bonds of denominations of $5,000 principal amount each or any integral multiple thereof, which may be separately redeemed.

SECTION 4.02 Notice of Redemption. (a) Notice of redemption of the Bonds shall be given by the Paying Agent. Notice of redemption of the Bonds shall be mailed postage prepaid not less than 20 nor more than 60 days prior to the date fixed for redemption (i) by first-class mail to the respective Owners of Bonds designated for redemption at the addresses appearing on the bond registration books of the Paying Agent, and (ii) as may be further required in accordance with the Continuing Disclosure Undertaking.

Each notice of redemption shall contain all of the following information: (i) the date of such notice; (ii) the name of the affected Bonds and the date of issue of the Bonds; (iii) the date fixed for redemption; (iv) the redemption price; (v) the dates of maturity of the Bonds to be redeemed; (vi) if less than all of the then outstanding Bonds are to be redeemed, the distinctive serial numbers of the Bonds of each maturity to be redeemed; (vii) in the case of Bonds redeemed in part only, the respective portions of the principal amount of the Bonds of each maturity to be redeemed; (viii) the CUSIP number, if any, of each maturity of Bonds to be redeemed; (ix) a statement that such Bonds must be surrendered by the Owners at the office of the Paying Agent designated by the Paying Agent for such purpose; (x) notice that further interest on such Bonds will not accrue after the designated redemption date; and (xi) in the case of a deliver, that such notice is conditioned upon certain circumstances and the manner of rescinding such conditional notice.

The actual receipt by the Owner of any Bond of notice of such redemption will not be a condition precedent to redemption, and failure to receive such notice, or any defect in the notice given, will not affect the validity of the proceedings for the redemption of such Bonds or the cessation of interest on the date fixed for redemption.

(b) Partial Redemption of Bonds. Upon the surrender of any Bond redeemed in part only, the Paying Agent shall execute and deliver to the Owner thereof a new Bond or Bonds of like tenor and maturity and of authorized denominations equal in principal amount to the unredeemed portion of the Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the District shall be released and discharged thereupon from all liability to the extent of such payment.

(c) Effect of Notice of Redemption. When notice of redemption has been given substantially as described above, and when the amount necessary for the payment of the redemption price of the Bonds called for redemption is set aside for such purpose, the Bonds designated for redemption shall become due and payable on the date fixed for redemption and interest shall cease to accrue thereon as of the redemption date, and upon presentation and surrender of such Bonds at the place specified in the notice of redemption, such Bonds shall be redeemed and paid at the redemption price thereof out of the money

provided therefor. The Owners of Bonds so called for redemption after such date fixed for redemption shall look for the payment of such Bonds and the redemption premium thereon, if any, only to moneys on deposit in the Interest and Sinking Fund of the District or the escrow fund established for such purpose. All Bonds redeemed shall be cancelled forthwith by the Paying Agent and shall not be reissued.

(d) Conditional Notice. Any notice of optional redemption of the Bonds delivered in accordance herewith may be conditioned on any fact or circumstance stated therein, and if any condition stated in the notice of redemption shall not have been satisfied on or prior to the redemption date, (i) said notice shall be of no force and effect, (ii) the District shall not be required to redeem such Bonds, (iii) the redemption shall be cancelled and (iv) the Paying Agent shall within a reasonable time thereafter give notice to the persons and in the manner in which the conditional notice of redemption was given, that such condition or conditions were not met and that the redemption was cancelled. The actual receipt by the Owner of any Bond of notice of such cancellation shall not be a condition precedent to cancellation, and failure to receive such notice or any defect in such notice shall not affect the validity of the cancellation.

(e) Rescission of Notice of Redemption. The District may rescind any optional redemption and notice thereof for any reason on any date on or prior to the date fixed for redemption by causing written notice of the rescission to be given to the Owners of the Bonds so called for redemption. Any optional redemption and notice thereof shall be rescinded if for any reason on the date fixed for redemption moneys are not available in the Interest and Sinking Fund or otherwise held in trust for such purpose in an amount sufficient to pay in full on said date the principal of, interest, and any premium due on the Bonds called for redemption. Notice of rescission of redemption shall be given in the same manner in which notice of redemption was originally given. The actual receipt by the Owner of any Bond of notice of such rescission shall not be a condition precedent to rescission, and failure to receive such notice or any defect in such notice shall not affect the validity of the rescission.

(f) Redemption Fund. Prior to or on the redemption date of any Bonds there shall be available in the Interest and Sinking Fund of the District, or held in trust for such purpose as provided by law, moneys for the purpose and sufficient to redeem, at the premiums payable as in this Paying Agent Agreement provided, the Bonds designated in said notice of redemption. Such moneys so set aside in any such escrow fund shall be applied on or after the redemption date solely for payment of principal of and premium, if any, on the Bonds to be redeemed upon presentation and surrender of such Bonds, provided that all moneys in the Interest and Sinking Fund of the District shall be used for the purposes established and permitted by law. Any interest due on or prior to the redemption date shall be paid from the Interest and Sinking Fund of the District, unless otherwise provided for to be paid from such escrow. If, after all of the Bonds have been redeemed and cancelled or paid and cancelled, there are moneys remaining in the Interest and Sinking Fund of the District or otherwise held in trust for the payment of redemption price of the Bonds, said moneys shall be held in or returned or transferred to the Interest and Sinking Fund of the District for payment of any outstanding bonds of the District payable from said fund; provided, however, that if said moneys are part of the proceeds of bonds of the

District, said moneys shall be transferred to the fund created for the payment of principal of and interest on such bonds. If no such bonds of the District are at such time outstanding, said moneys shall be transferred to the general fund of the District as provided and permitted by law.

SECTION 4.03 Defeasance of Bonds. The District may pay and discharge any or all of the Bonds by depositing in trust with the Paying Agent or an escrow agent at or before maturity, money or Defeasance Securities, in an amount which will, together with the interest to accrue thereon and available moneys then on deposit in the Interest and Sinking Fund, be fully sufficient in the opinion of a certified public accountant licensed to practice in the State to pay and discharge the indebtedness on such Bonds (including all principal, interest and redemption premiums, if any) at or before their respective maturity dates.

If at any time the District shall pay or cause to be paid or there shall otherwise be paid to the Owners of any or all outstanding Bonds all of the principal, interest and premium, if any, represented by such Bonds when due, or as described above, or as otherwise provided by law, then such Owners shall cease to be entitled to the obligation of the County to levy and collect taxes to pay the Bonds as described in Section 5.02 hereof, and such obligation and all agreements and covenants of the District to such Owners hereunder and under the Bonds shall thereupon be satisfied and discharged and shall terminate, except only that the District shall remain liable for payment of all principal, interest and premium, if any, represented by such Bonds, but only out of moneys on deposit in the Interest and Sinking Fund or otherwise held in trust for such payment, provided, that the unclaimed moneys provisions described in Section 6.07 hereof shall apply in all events.

ARTICLE V

OTHER COVENANTS

SECTION 5.01 Payment of Principal and Interest. On or prior to the date any payment is due in respect of the Bonds, the District will cause moneys to be deposited with the Paying Agent sufficient to pay the principal and the interest (and premium, if any) to become due in respect of all Bonds outstanding on such payment date. When and as paid in full, and following surrender thereof to the Paying Agent, all Bonds shall be cancelled by the Paying Agent, and thereafter they shall be destroyed. The Paying Agent hereby acknowledges, and the Treasurer-Tax Collector by acknowledgement of this Paying Agent Agreement hereby acknowledges, that pursuant to the general laws of the State of California, the obligation to levy and collect taxes for the payment of the Bonds, and to pay principal and interest on the Bonds when due, are legal obligations of the County and the Treasurer-Tax Collector and shall be performed by the Treasurer-Tax Collector.

SECTION 5.02 Obligation to Levy Taxes for Payment of Bonds. The Board of Supervisors and officers of the County are obligated by statute to provide for the levy and collection of property taxes in each year sufficient to pay all principal and interest coming due on the Bonds in such year, and the Treasurer-Tax Collector is obligated by statute to pay from such taxes all amounts due on the Bonds. The District shall take all steps required by law and by the County to ensure that the Board of Supervisors shall annually levy a tax upon all taxable property in the District sufficient to redeem the Bonds, and to pay the principal, redemption premium, if any, and interest thereon as and when the same become due. The District is not obligated to pledge and pledges no moneys hereunder other than as provided for and required by the Law.

SECTION 5.03 Further Assurances. The District will promptly execute and deliver or cause to be executed and delivered all such other and further instruments, documents or assurances, and promptly do or cause to be done all such other and further things, as may be necessary or reasonably required in order to further and more fully vest in the Bondowners all rights, interest, powers, benefits, privileges and advantages conferred or intended to be conferred upon them by this Paying Agent Agreement.

SECTION 5.04 Tax Covenants. (a) The District shall not take any action or inaction, or fail to take any action, or permit any action to be taken on its behalf or cause or permit any circumstances within its control to arise or continue, if such action or inaction would adversely affect the exclusion from gross income of the interest payable on the Bonds under Section 103 of the Code. Without limiting the generality of the foregoing, the District shall comply with the instructions and requirements of the Tax Certificate for the Bonds. This covenant shall survive payment in full or defeasance of the Bonds.

(b) In the event that at any time the District is of the opinion that for purposes of this Section it is necessary or helpful to restrict or limit the yield on the investment of any moneys held by the Paying Agent under this Paying Agent Agreement or the Treasurer-Tax Collector on behalf of the District, the District shall so instruct the Paying Agent or Treasurer-Tax Collector, as appropriate, in writing, and the Paying Agent or Treasurer-Tax Collector, as applicable, shall take such action as may be necessary in accordance with such instructions.

(c) Notwithstanding any provisions of this Section, if the District shall obtain and provide to the Paying Agent or the Treasurer-Tax Collector, as appropriate, an Opinion of Bond Counsel that any specified action required under this Section is no longer required or that some further or different action is required in order to maintain the exclusion from federal income tax of interest on the Bonds under Section 103 of the Code, the Paying Agent and the Treasurer-Tax Collector may conclusively rely on such Opinion of Bond Counsel in complying with the requirements of this Section and of the Tax Certificate, and the covenants hereunder shall be deemed to be modified to that extent.

SECTION 5.05 Validity of Bonds. The recital contained in the Bonds that the same are regularly issued pursuant to the Law and that the total amount of indebtedness of the District, including the amount of the Bonds, is within the limit provided by law, shall be conclusive evidence of their validity and of compliance with the provisions of the Law in their issuance.

ARTICLE VI

THE PAYING AGENT

SECTION 6.01 Appointment; Acceptance; Designated Office.

(a) Appointment and Acceptance of Duties. U.S. Bank Trust Company, National Association, is hereby appointed Paying Agent, and hereby accepts and agrees to perform the duties and obligations of the Paying Agent, registrar and transfer agent specifically imposed upon it by this Paying Agent Agreement, and no implied duties shall be read into this Paying Agent Agreement against the Paying Agent.

The Paying Agent is hereby authorized and hereby agrees to pay or redeem the Bonds when duly presented for payment at maturity, or on prior redemption, and to cancel all Bonds upon payment thereof. The Paying Agent shall keep accurate records of all funds administered by it and of all Bonds paid and discharged.

(b) Office of the Paying Agent. The Paying Agent, and any successor Paying Agent, shall designate each place or places where it will conduct the functions of transfer, registration, exchange, payment, and surrender of the Bonds. If no office is so designated for a particular purpose, such functions shall be conducted at the office of U.S. Bank Trust Company, National Association, in St. Paul, Minnesota, or the principal corporate trust office of any successor Paying Agent.

SECTION 6.02 Resignation, Removal, Replacement of Paying Agent. The Paying Agent may at any time resign by giving written notice to the District and the Treasurer-Tax Collector of such resignation, whereupon the Treasurer-Tax Collector shall promptly appoint a successor Paying Agent by the resignation date. Resignation of the Paying Agent will be effective 45 days after notice of the resignation is given as stated above or upon appointment of a successor Paying Agent, whichever first occurs. The Treasurer-Tax Collector may at any time remove the Paying Agent and any successor Paying Agent by an instrument given in writing, with copy to the District. After removal or receiving a notice of resignation of the Paying Agent, the Treasurer-Tax Collector may appoint a temporary Paying Agent or temporarily assume the duties

of the Paying Agent to replace the former Paying Agent until the Treasurer-Tax Collector appoints a successor Paying Agent. Any such temporary Paying Agent so appointed by the Treasurer-Tax Collector shall immediately and without further act be superseded by the successor Paying Agent upon the appointment of and acceptance thereof by such successor.

SECTION 6.03 Protection of Paying Agent. The Paying Agent hereby agrees, provided sufficient immediately available funds have been provided to it for such purpose by or on behalf of the Treasurer-Tax Collector or the District, to use the funds deposited with it solely for payment of the principal of and interest on the Bonds as the same shall become due or become subject to earlier redemption.

SECTION 6.04 Reliance on Documents, Etc.

(a) The Paying Agent may conclusively rely, as to the truth of the statements and correctness of the opinions expressed therein, on certificates or opinions furnished to the Paying Agent by the District.

(b) The Paying Agent shall not be liable for any error of judgment made in good faith. The Paying Agent shall not be liable for, other than its negligence or willful misconduct in connection with, any act or omission hereunder.

(c) No provision of this Paying Agent Agreement shall require the Paying Agent to expend or risk its own funds or otherwise incur any financial liability for performance of any of its duties hereunder, or in the exercise of any of its rights or powers.

(d) The Paying Agent may rely, or be protected in acting or refraining from acting, upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. The Paying Agent need not examine the ownership of any Bond, but is protected in acting upon receipt of Bonds containing an endorsement or instruction of transfer or power of transfer which appears on its face to be signed by the Bondowner or agent of the Bondowner.

(e) The Paying Agent may consult with counsel, and the written advice of such counsel or any Opinion of Bond Counsel shall be full authorization and protection with respect to any action taken, suffered or omitted by it hereunder in good faith and reliance thereon.

(f) The Paying Agent may exercise any of the powers hereunder and perform any duties hereunder either directly or by or through agents or attorneys and shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder.

(g) In no event shall the Paying Agent be responsible or liable for special, indirect, consequential, punitive or incidental loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Paying Agent has been advised of the likelihood of such loss or damage and regardless of the form of action.

(h) The Paying Agent shall not be responsible or liable for any failure or delay in the performance of its obligations hereunder, that is arising out of or caused, directly or indirectly, by circumstances beyond its control, including without limitation, any act or provision of any present or future law or regulation or governmental authority; acts of God; earthquakes; fires; floods; wars; terrorism; civil or military disturbances; sabotage; epidemics; pandemic; quarantine restrictions; riots; interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications service; accidents; labor disputes; acts of civil or military authority or governmental actions; or the unavailability of the Federal Reserve Bank wire or other wire or communication facility.

SECTION 6.05 Recitals of District. The recitals contained herein and in the Bonds shall be taken as the statements of the District or the County, and the Paying Agent assumes no responsibility for their correctness.

SECTION 6.06 Paying Agent May Own Bonds. The Paying Agent, in its individual or any other capacity, may become the Owner or pledgee of Bonds with the same rights it would have if it were not the Paying Agent for the Bonds.

SECTION 6.07 Money Held by Paying Agent; Unclaimed Moneys. Money held by the Paying Agent hereunder may be commingled with other funds held by the Paying Agent, but shall be separately accounted for. Except as otherwise provided herein, the Paying Agent shall have no duties with respect to investment of funds deposited with it and shall be under no obligation to pay interest on any money received by it hereunder.

Any money held in any fund created pursuant to this Paying Agent Agreement, or held by the Paying Agent in trust, for the payment of the principal of, redemption premium, if any, or interest on the Bonds and remaining unclaimed for two years after the principal of all of the Bonds has become due and payable (whether by maturity or upon prior redemption) shall be transferred to the Interest and Sinking Fund for payment of any outstanding bonds of the District payable from said fund; or, if no such bonds of the District are at such time outstanding, said moneys shall be transferred to the general fund of the District as provided and permitted by law.

SECTION 6.08 Other Transactions. The Paying Agent may engage in or be interested in any financial or other transaction with the District.

SECTION 6.09 Interpleader. The Paying Agent may seek adjudication of any adverse claim, demand, or controversy over its person as well as funds on deposit, in a court of competent jurisdiction. The Paying Agent has the right to file an action in interpleader in any court of competent jurisdiction to determine the rights of any person claiming any interest herein.

SECTION 6.10 Indemnification. The District, to the extent permitted by law, shall indemnify the Paying Agent, its officers, directors, employees, and agents ("Indemnified Parties") for, and hold them harmless against any loss, cost, claim, liability or expense arising out of or in connection with the Paying Agent's acceptance or administration of the Paying Agent's duties hereunder or with respect to the Bonds (except to the extent any loss, liability or expense as may be adjudicated by a court of competent jurisdiction to have been caused by the Paying Agent's negligence or willful misconduct), including without limitation the cost and expense (including its

counsel fees and disbursements, including the allocated costs and disbursements of internal counsel) of defending itself against any claim or liability asserted by the District, any Bondholder or any other person or entity (except such action as may be brought against the Paying Agent by the District) in connection with the exercise or performance of any of its powers or duties under this Paying Agent Agreement. The provisions of this Section 6.10 shall survive termination of this Paying Agent Agreement and shall continue for the benefit of any Paying Agent after its resignation or removal as Paying Agent hereunder.

SECTION 6.11 Instructions to Paying Agent. The Paying Agent agrees to accept and act upon instructions or directions pursuant to this Paying Agent Agreement sent by unsecured email, facsimile transmission or other similar unsecured electronic methods, provided, however, that the District shall provide to the Paying Agent an incumbency certificate listing designated persons authorized to provide such instructions, which incumbency certificate shall be amended whenever a person is to be added or deleted from the listing. If the District elects to give the Paying Agent email or facsimile instructions (or instructions by a similar electronic method) and the Paying Agent in its discretion elects to act upon such instructions, the Paying Agent's understanding of such instructions shall be deemed controlling. The Paying Agent shall not be liable for any losses, costs or expenses arising directly or indirectly from the Paying Agent's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The District agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Paying Agent, including without limitation the risk of the Paying Agent acting on unauthorized instruction, and the risk or interception and misuse by third parties.

ARTICLE VII

MODIFICATIONS OR AMENDMENTS

SECTION 7.01 Supplemental Paying Agent Agreements with Consent of Owners. This Paying Agent Agreement, and the rights and obligations of the District and of the Owners of the Bonds issued hereunder, may be modified or amended at any time by a Supplemental Paying Agent Agreement adopted by the District with the written consent of Owners owning at least 60% in aggregate principal amount of the outstanding Bonds, exclusive of Bonds, if any, owned by the District. Notwithstanding the foregoing, no such modification or amendment shall, without the express consent of the Owner of each Bond affected, reduce the principal amount of any Bond, reduce the interest rate payable thereon, advance the earliest redemption date thereof, extend its maturity or the times for paying interest thereon or change the monetary medium in which principal and interest is payable, nor shall any modification or amendment reduce the percentage of consents required for amendment or modification. No such Supplemental Paying Agent Agreement shall change or modify any of the rights or obligations of any Paying Agent without its written assent thereto. Notwithstanding anything herein to the contrary, no such consent shall be required if the Owners are not directly and adversely affected by such amendment or modification.

SECTION 7.02 Supplemental Paying Agent Agreements Effective Without Consent of Owners. For any one or more of the following purposes and at any time or from time

to time, a Supplemental Paying Agent Agreement of the District may be adopted, which, without the requirement of consent of the Owners, shall be fully effective in accordance with its terms:

(a) To add to the covenants and agreements of the District in this Paying Agent Agreement, other covenants and agreements to be observed by the District which are not contrary to or inconsistent with this Paying Agent Agreement as theretofore in effect;

(b) To add to the limitations and restrictions in this Paying Agent Agreement, other limitations and restrictions to be observed by the District which are not contrary to or inconsistent with this Paying Agent Agreement as theretofore in effect;

(c) To confirm as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by this Paying Agent Agreement, of any moneys, securities or funds, or to establish any additional funds, or accounts to be held under this Paying Agent Agreement;

(d) To cure any ambiguity, supply any omission, or cure to correct any defect or inconsistent provision in this Paying Agent Agreement; or

(e) To amend or supplement this Paying Agent Agreement in any other respect, provided such Supplemental Paying Agent Agreement does not, in the Opinion of Bond Counsel, adversely affect the interests of the Owners.

SECTION 7.03 Effect of Supplemental Paying Agent Agreement. Any act done pursuant to a modification or amendment so consented to shall be binding upon the Owners of all the Bonds and shall not be deemed an infringement of any of the provisions of this Paying Agent Agreement, whatever the character of such act may be, and may be done and performed as fully and freely as if expressly permitted by the terms of this Paying Agent Agreement, and after consent relating to such specified matters has been given, no Owner shall have any right or interest to object to such action or in any manner to question the propriety thereof or to enjoin or restrain the District or any officer or agent thereof from taking any action pursuant thereto.

For purposes of this Section, "Beneficial Owner" shall mean any person which has or shares the

Registered Owner: CEDE & CO.
Principal Sum: _____ DOLLARS

Southwestern Community College District of San Diego County, State of California (herein called the "District"), acknowledges itself obligated to and promises to pay, to the registered owner identified above or registered assigns, only from taxes collected by the County of San Diego (the "County") for such purpose pursuant to Section 15250 of the Education Code of the State of California, on the maturity date set forth above or upon redemption prior thereto, the principal sum specified above in lawful money of the United States of America, and interest thereon in like lawful money at the interest rate per annum stated above, computed on the basis of a 360-day year of twelve 30-day months, commencing on February 1, 2026, and thereafter on February 1 and August 1 in each year (each, an "interest payment date"), until payment of said principal sum. If this bond is authenticated and registered on any date on or prior to January 15, 2026, it shall bear interest from the date of issuance hereof. If authenticated during the period between any Record Date (defined as the 15th day of the month preceding an interest payment date) and the close of business on its corresponding interest payment date, it shall bear interest from such interest payment date. Otherwise, this bond shall bear interest from the interest payment date immediately preceding the date of its authentication.

The principal hereof is payable to the registered owner hereof upon the surrender hereof at the place or places designated for the purpose by the paying agent/registrar and transfer agent of the District (herein called the "Paying Agent"), initially U.S. Bank Trust Company, National Association. The interest hereon is payable to the person whose name appears on the bond registration books of the Paying Agent as the registered owner hereof as of the close of business on the Record Date preceding each interest payment date, whether or not such day is a business day, such interest to be paid by check mailed to such registered owner at the owner's address as it appears on such registration books, or at such other address filed with the Paying Agent for that purpose. Upon written request, given no later than the Record Date immediately preceding an interest payment date, of the owner of Bonds (hereinafter defined) aggregating at least $1,000,000 in principal amount, interest will be paid by wire transfer to an account maintained in the United

States as specified by the owner in such request. So long as Cede & Co. or its registered assigns shall be the registered owner of this bond, payment shall be made by wire transfer as provided in the Paying Agent Agreement hereinafter described.

This bond is one of a duly authorized issue of bonds of like tenor (except for such variations, if any, as may be required to designate varying series, numbers, denominations, interest rates, maturities and redemption provisions), amounting in the aggregate to $120,000,000, designated as "Southwestern Community College District (San Diego County, California) Election of 2024, General Obligation Bonds, Series 2025A" (the "Bonds"). Such Bonds are part of $800,000,000 in bonds of the District approved by a vote of at least 55% of the voters voting at an election duly and legally called, held and conducted in the District on November 5, 2024 (the "2024 Authorization"). The Bonds were authorized by a resolution (the "Resolution") adopted by the Governing Board of the District on May 19, 2025, and subject to the more particular terms specified in the Paying Agent Agreement (the "Paying Agent Agreement"), dated as of August 1, 2025, between the District and the Paying Agent and acknowledged by the Treasurer-Tax Collector of the County of San Diego. Reference is hereby made to the Paying Agent Agreement and any and all amendments thereto for a description of the terms on which the Bonds are issued, for the rights of the owners of the Bonds, for the provisions for payment of the Bonds, and for any amendment of the Paying Agent Agreement (with or without consent of the owners of the Bonds); and all of the terms of the Paying Agent Agreement and Resolution are hereby incorporated herein and constitute a contract between the District and the registered owner of this Bond, to all the provisions of which the registered owner of this Bond, by acceptance hereof, agrees and consents. Capitalized undefined terms used herein have the meanings ascribed thereto in the Paying Agent Agreement. The Bonds are issued and sold by the District pursuant to and in strict conformity with the provisions of the Resolution, the Paying Agent Agreement and of the Constitution and laws of the State of California, specifically under the authority of Article 4.5 of Chapter 3 of Part 1 of Division 2 of Title 5 of the Government Code of the State of California, to finance the construction, improvement, furnishing and equipping of certain of its public facilities, as authorized by the 2024 Authorization.

The Bonds are issuable as fully registered bonds without coupons in the denomination of $5,000 principal amount or any integral multiple thereof, provided that no Bond shall have principal maturing on more than one principal maturity date. Subject to the limitations and conditions and upon payment of the charges, if any, as provided in the Paying Agent Agreement, Bonds may be exchanged for a like aggregate principal amount of Bonds of the same series, maturity and interest rate of other authorized denominations.

This Bond is transferable by the registered owner hereof, in person or by attorney duly authorized in writing, at said office of the Paying Agent, but only in the manner, subject to the limitations and upon payment of the charges provided in the Paying Agent Agreement, and upon surrender and cancellation of this Bond. Upon such transfer, a new Bond or Bonds of authorized denomination or denominations for the same series, maturity, interest rate, and same aggregate principal amount will be issued to the transferee in exchange herefor.

The District and the Paying Agent may treat the registered owner hereof as the absolute owner hereof for all purposes, and the District and the Paying Agent shall not be affected by any notice to the contrary.

The Bonds are subject to optional and mandatory sinking fund redemption on the terms and subject to the conditions specified in the Paying Agent Agreement. If this bond is called for redemption and payment is duly provided therefor, interest shall cease to accrue hereon from and after the date fixed for redemption.

The Bonds represent an obligation of the District payable out of the Interest and Sinking Fund of the District, and the money for the payment of the principal of this Bond, premium, if any, and the payment of interest hereon, shall be raised by taxation upon the taxable property of the District.

The Governing Board of the District hereby certifies and declares that the total amount of indebtedness of the District, including the amount of this Bond, is within the limit provided by law; that all acts, conditions and things required by law to be done or performed precedent to and in the issuance of this Bond have been done and performed in strict conformity with the laws authorizing the issuance of this Bond; and that this bond is in substantially the form prescribed by the Paying Agent Agreement and by order of the Governing Board of the District duly made and entered on its minutes. The Bonds represent an obligation of the District payable out of the Interest and Sinking Fund of the District, and the money for the redemption of this Bond, and the payment of principal of, premium, if any, and interest thereon, shall be raised by taxation upon the taxable property of the District.

This Bond shall not be entitled to any benefit under the Paying Agent Agreement, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon endorsed shall have been signed by the Paying Agent.

CHAPTER 2. ADMINISTRATIVE CIVIL PENALTIES

SEC. 18.201. AUTHORIZATION AND PURPOSE.

This chapter provides a procedure by which County enforcement officials may assess administrative civil penalties as an alternative enforcement method for any violation of this code, the San Diego County Zoning Ordinance, any other County ordinance and any State law that County officials enforce. The remedies in this chapter are in addition to all other remedies the County may pursue and only govern enforcement actions brought pursuant to this chapter. Nothing in this chapter limits the ability of any enforcement official to seek the maximum civil penalties allowed when following any other enforcement procedure or in any civil action.

(Added by Ord. No. 9889 (N.S.), effective 10-26-07; amended by Ord. No. 9925 (N.S.), effective 4-11-08)

(Added by Ord. No. 9889 (N.S.), effective 10-26-07; amended by Ord. No. 9925 (N.S.), effective 4-11-08)

SEC. 18.204. NOTICE AND ORDER PROCEDURES.

(a) Whenever a Director determines that a violation the Director has authority to enforce has occurred or is occurring the Director may assess civil penalties pursuant to a written Notice and Order to any responsible person. When violations involve more than one department a Director may delegate enforcement authority to another Director.

(b) The Notice and Order issued by a Director shall state:

(1) The name of the person against whom the civil penalty is assessed;

(2) A description of the violation and all sections of the code or ordinance violated that are being charged;

(3) The date and location of each violation;

(4) A daily civil penalty assessment and the factors in section 18.205 the Director considered in determining the amount;

(5) The beginning and ending date for the civil penalty assessment, unless the violation is continuing as of the date of the Notice. In the case of a continuing violation the Director may assess penalties up to the day the Notice is issued and/or assess continuing penalties at the daily rate established in the Notice until the violation is corrected;

(6) Where a Director determines any violation is continuing, the responsible person is ordered to immediately cease violating the applicable law and commence and complete all action necessary to correct any outstanding violation under the guidance of the enforcement department;

(7) The process for payment of civil penalties is as provided in section 18.207;

(8) The person charged has the right to request a hearing to contest the Notice and Order as provided in section 18.208;

(9) If the person charged fails to request a hearing within 14 days of the date on the Notice and Order the person waives all administrative remedies and the person loses the right to contest (A) whether any violation occurred, (B) whether the person charged is responsible for any violation charged, (C) the dates of any violation,

including whether any violation is continuing and (D) whether the amount assessed is reasonable.

(c) More than one Notice and Order may be issued against the same responsible person if the notice encompasses different dates and/or different violations.

(a) In determining the date when civil penalties started to accrue, a Director may consider the date when the Department first discovered a violation had occurred, as evidenced by any writing issued or sent to a responsible person.

(b) The assessment of civil penalties shall end when all action required by the Notice and Order has been completed to the satisfaction of a Director.

(c) In determining the amount of the daily rate at which a civil penalty is assessed a Director may consider some or all of the following factors:

(1) The duration of the violation.

(2) The frequency or recurrence of the violation.

(3) The nature and seriousness of the violation.

(4) The impact of the violation on environmentally sensitive land or habitat or historical resources.

(5) The responsible person's conduct after being notified of the violation.

(6) The good faith effort by the responsible person to comply.

(7) The economic impact of the penalty on the responsible person.

(8) Any financial gain incurred by the responsible person as a result of the violation.

(9) The violation's impact on the community.

(10) Any other factors that justice may require.

SEC. 18.206. METHODS OF SERVICE.

The Notice and Order shall be served on the responsible person as provided by section 11.112 of this code. If for any reason service cannot be completed as provided in section 11.112, service may be accomplished by posting a copy of the notice in a conspicuous place on or near the property on which the violation is located. At the

discretion of the Director, the notice may be posted in addition to personal or mail service.

(Added by Ord. No. 9889 (N.S.), effective 10-26-07; amended by Ord. No. 9925 (N.S.), effective 4-11-08)

SEC. 18.207. PAYMENT OF CIVIL PENALTIES.

(a) Civil penalties assessed shall be paid in full within 15 days from the date the Notice and Order is served unless the person served with the Notice and Order files a timely request for a hearing under section 18.208. If a timely request for a hearing is filed, no payment of the assessed civil penalties shall be required until the conclusion of the hearing.

(b) In the case of a continuing violation, the person charged shall pay any amount assessed in the Notice and Order within 15 days from the date the Notice and Order was served. If a Director assesses continuing penalties as provided in section 18.204(b)(5) the person charged with a continuing violation shall be responsible to pay accrued penalties within 15 days from the date of notice from a Director that payment of an additional amount is due. If a timely request for a hearing is filed, penalties for continuing violations will continue to accrue, but payment shall not be required until the conclusion of the hearing.

(c) Civil penalties paid to the County before a hearing under section 18.208 shall be refunded in full or in part if a hearing officer determines:

(1) A violation enforceable under this chapter did not occur or did not occur on some or all of dates charged, or

(2) The person charged was not responsible for a violation, or

(3) The amount of the civil penalties shall be reduced.

(Added by Ord. No. 9889 (N.S.), effective 10-26-07; amended by Ord. No. 9925 (N.S.), effective 4-11-08; amended by Ord. No. 10211 (N.S.), effective 6-1-12; amended by Ord. No. 10578 (N.S.), effective 12-13-18)

SEC. 18.208. HEARING TO CONTEST NOTICE AND ORDER AND WAIVER.

(a) A person may request a hearing to contest a Notice and Order by completing a Request for Hearing form within 14 days after the notice was served, either at the office of the department that issued the Notice or by returning a Request for Hearing form by mail. If a person requests a hearing by mail, the request must be postmarked within 14 days of the Notice. Failure to timely request a hearing constitutes a waiver of the right to contest the Notice and the issues in paragraph (b) below.

(b) If the person charged as a responsible person in the Notice requests a hearing the person may contest any or all of the following issues:

(1) Whether a violation enforceable under this chapter occurred,

(2) Whether the person charged is responsible for the violation,

(3) The dates when the violation occurred, including whether the violation is continuing,

(4) Whether the amount assessed for the violation is reasonable.

(c) Within seven days after a County Department receives a timely request for a hearing it shall ask the Clerk of the Board of Supervisors to schedule a hearing before a County hearing officer appointed pursuant to sections 650 et seq. of the County Administrative Code.

(d) The Clerk shall set a hearing date, assign the matter to a hearing officer by selecting a hearing officer on a rotating basis from the list of appointed hearing officers and advise the person requesting the hearing and the Director who issued the Notice of the date, time and location of the hearing at least 10 days before the hearing.

(Added by Ord. No. 9889 (N.S.), effective 10-26-07; amended by Ord. No. 9925 (N.S.), effective 4-11-08)

SEC. 18.209. HEARING PROCEDURES.

The following procedures shall apply to hearings conducted under this chapter:

(a) Every witness shall take an oath or make an affirmation.

(b) The County bears the burden of proof at all civil penalties hearings. The standard of proof at a hearing is the preponderance of the evidence.

(c) The hearing officer may consolidate hearings involving the same responsible person and/or the same property.

(d) The hearing officer may continue a hearing for good cause.

(e) Each party shall have the right to: call and examine witnesses, introduce exhibits, cross-examine opposing witnesses, impeach any witness regardless of which party first called the witness to testify and rebut the evidence against the party. The County may call and examine the appellant or any agent of the appellant as a witness during the department's case in chief or during the department's rebuttal case. The hearing officer may examine the appellant or any of the appellant's employees or agents as if under cross-examination.

(f) Strict rules of evidence shall not apply. Evidence that might otherwise be excluded under the Evidence Code may be admissible if the hearing officer determines that it is relevant and the kind that reasonably prudent persons rely on in making decisions. All rules of privilege recognized by the Evidence Code, however, shall apply to the hearing. The hearing officer shall also exclude irrelevant and cumulative evidence.

(g) The hearing shall be conducted in English. If the appellant or any of appellant's witnesses require an interpreter the appellant is responsible to provide a State certified interpreter at appellant's expense.

(Added by Ord. No. 9889 (N.S.), effective 10-26-07; amended by Ord. No. 9925 (N.S.), effective 4-11-08)

SEC. 18.210. FAILURE TO APPEAL OR ATTEND CIVIL PENALTIES HEARING.

(a) The failure of any responsible person, who has been served with a Notice and Order, to appeal the Notice and Order or attend a properly noticed civil penalties hearing shall constitute a waiver of the right to an administrative hearing, the right to contest the Notice and Order and the right to contest any issue that could have been considered or is considered by the hearing officer at the hearing. If a responsible person, who has been served with a notice of hearing fails to appear for a hearing, a Director may request the hearing be continued or may elect to go forward with the hearing without the responsible person.

(b) If a person served with a Notice and Order does not request a hearing to appeal the Notice and Order within the time required by section 18.208(a) the director may issue an Administrative Enforcement Order, without a hearing, for any violation that was the subject of the Notice and Order.

(Added by Ord. No. 9889 (N.S.), effective 10-26-07; amended by Ord. No. 9925 (N.S.), effective 4-11-08)

SEC. 18.211. DECISION AND ADMINISTRATIVE ENFORCEMENT ORDER.

(a) The hearing officer shall issue a written decision within five business days after all testimony and other evidence have been received and file the decision with the Clerk of the Board. If the hearing officer sustains the Director's Notice and Order in whole or in part, the hearing officer shall also issue an Administrative Enforcement Order (AEO). The Clerk of the Board shall serve the written decision and any AEO the hearing officer issues on the parties by mail.

(b) The hearing officer's decision shall address each issue in section 18.208(b). The hearing officer shall consider the factors in section 18.205(c) in determining whether the amount of civil penalties assessed is reasonable. A hearing officer may reduce the daily rate of civil penalties assessed by the Director's Notice and Order, but the hearing officer may not eliminate a daily civil penalty or award a nominal civil penalty against a responsible person on any day the hearing officer finds that the responsible person committed a violation.

(c) If the hearing officer is required to issue an AEO pursuant to this section the AEO shall order a responsible person to pay within 10 days of the order, the amount of civil penalties due as of the date of the hearing. If requested by a Director and warranted by the evidence an AEO may also establish a deadline by which a responsible person shall: (1) cease any violation subject to enforcement under this chapter and/or (2) take corrective action to prevent further violations.

(d) If the hearing officer determines the Director, who issued the Notice and Order, is the prevailing party, the AEO shall also assess the County's administrative costs of the hearing against the responsible person and shall add the costs to the amount of any civil penalty a responsible person is ordered to pay.

(e) A hearing officer may also schedule subsequent review hearings as may be necessary or as requested by a party to the hearing to ensure compliance with the AEO.

(f) When a Director issues an AEO pursuant to section 18.210(b) the Director shall state in the AEO:

(1) The Director has issued an AEO,

(2) The responsible person is ordered to pay the amount of civil penalties assessed within 10 days of the date of the order,

(3) When applicable, the responsible person is ordered to cease any ongoing violation by the date provided in the order, and

(4) When applicable, the responsible person is ordered to take corrective action by the date provided in the order.

(g) An AEO shall be served upon a responsible person as provided in section 18.206.

(Added by Ord. No. 9889 (N.S.), effective 10-26-07; amended by Ord. No. 9925 (N.S.), effective 4-11-08)

SEC. 18.212. FAILURE TO COMPLY WITH AN ADMINISTRATIVE ENFORCEMENT ORDER.

(a) After the responsible person is served with an AEO, the Director shall monitor the violations and determine compliance.

(b) If a responsible person fails to comply with the terms and deadlines set forth in an AEO, the Director may use all available legal means to obtain compliance and to recover the civil penalties owed. These means include, but are not limited to, the following:

(1) The County may refer the debt to the Auditor and Controller for collection;

(2) The County may file a civil action and/or

(3) The County may record an AEO as a lien against the real property on which the violation is located in accordance with the procedures found in Section 18.214.

(c) It shall be unlawful for a person who has been served with an AEO to fail to comply with the Order.

(Added by Ord. No. 9889 (N.S.), effective 10-26-07; amended by Ord. No. 9925 (N.S.), effective 4-11-08)

SEC. 18.213. RIGHT TO JUDICIAL REVIEW.

Any person against whom an AEO has been entered may obtain review of the order by filing a petition for writ of mandate with the San Diego County Superior Court in

accordance with the timelines and procedures set forth in California Code of Civil Procedure Section 1094.5.

(Added by Ord. No. 9889 (N.S.), effective 10-26-07; amended by Ord. No. 9925 (N.S.), effective 4-11-08)

SEC. 18.214. PROCEDURES TO RECORD ORDERS AS LIENS.

If the responsible person fails to pay civil penalties in an AEO the County may record the order as a lien against the real property upon which a violation is located in accordance with the following procedures:

(a) Before recording, the Director shall serve the responsible person with a Notice of Intent to Record an AEO which informs the responsible person that recording the order will result in a lien against real property unless the responsible person pays the amount due within 30 days from the date of the notice. The Director shall serve the Notice of Intent to Record as provided by Section 18.206. The Notice of Intent to Record may be served at the same time as the AEO.

(b) If the responsible person fails to pay the amount due in full by the due date the County may record the AEO as a lien. The lien shall attach upon recording the order in the Office of the County Recorder. The lien shall continue until the amount of the lien is paid in full and the violations listed in the AEO are corrected.

(c) Notice of recording the AEO as a lien may be provided to the responsible person as provided by Government Code section 27297.5.

(Added by Ord. No. 9889 (N.S.), effective 10-26-07; amended by Ord. No. 9925 (N.S.), effective 4-11-08; amended by Ord. No. 10211 (N.S.), effective 6-1-12)

STATEMENT OF INCOMPATIBLE ACTIVITIES

The Board of Supervisors passed Resolution No.41 on February 29, 1972, and Resolution No. 01-207 on July 31, 2001, requiring each department to identify to its staff those activities which are inconsistent and incompatible with their duties as County employees.

A recent audit of the Clerk of the Board's website revealed that the Policies & Procedure posted for the Sheriff's Office is outdated and needs to be replaced with our current P&P. Attached is San Diego County Sheriff's Office – Policy and Procedure Manual, Procedure Section 3 – Personnel, 3.7 OUTSIDE EMPLOYMENT.

3.7 OUTSIDE EMPLOYMENT

An employee of the Sheriff's Office intending to engage in outside employment shall disclose the proposed employment in writing via the chain of command to his/her Facility Captain/Division Manager, who will determine if the intended employment would conflict with County duties.

An electronic copy of form AUD 263 (Disclosure Statement Card) shall be distributed to all employees twice a year (February and August) by the Personnel Division via SharePoint. All employees are required to complete this form regardless of whether they have outside employment or not. Once approved, all supervisors will submit the disclosure statements to the Personnel Division using an email provided by the SharePoint notification. Those with outside employment shall also complete Form PER 20 and route via the chain of command to his/her Facility Captain/Division Manager. Completed AUD 263 and PER 20 forms shall be retained in the Personnel Division for a period of 3 years. These forms shall be made available for audit purposes to the Auditor and Controller.

If any employee of the Sheriff's Office receives an assignment of work that relates to any organization, property or activity in which the employee or a member of the employee's immediate family has an interest, he/she shall report such interest, in writing, to his/her Facility Captain/Division Manager.

Since respect for law enforcement officers is paramount to their ability to perform their job, engaging in outside employment which would bring discredit, disrespect or embarrassment to that officer and/or his employing agency would be considered incompatible and in conflict with the officer's role as a peace officer. Government Code section 1126 sets forth factors, which, in and of themselves, create conflicts of interest.

Outside, or off duty employment is considered to be in conflict if it brings discredit or disrepute upon this agency and/or:

• Any outside employment which results in receipt of telephone calls or visitors by the employee while on duty at his/her County employment.

• Any publication for private gain of reports, studies or other written materials that were prepared on County time or utilized County facilities, equipment and/or materials, except when specifically authorized by the Sheriff.

• Any outside employment which would interfere during business hours with the full time devotion and attention of the employee to the duties and responsibilities of the Sheriff's Office.

• Any employment which involves the use of the badge, uniform, gun or influence of the individual's County employment for private gain or advantage including the following:

• The direct or indirect soliciting, seeking or accepting of personal loans, gifts, gratuities, business compensation or favors from the general public, private business firms or their agents who deal with the Sheriff's Office or any other agency or Department of the County of San Diego.

• The using of information not readily available to the general public, gained in the course of County employment, for private gain or advantage or the gain or advantage of another.

operations), etc.

Examples of prohibited outside employment for PROFESSIONAL staff include, but are not limited to:

• Legal practice of criminal defense

• Bail bond agencies

• Any cannabis related business operation: Cultivation for the purpose of sales, dispensary retail operations (cashier, stock clerk, etc.), delivery driver (including management of delivery operations), etc.

• Work for an employer who has been convicted of a felony or who openly associates with convicted felons

• Attorneys assigned to Legal Affairs in the Office of the Sheriff are prohibited from private practice of law.

APPROVAL GUIDELINES

The employee's Facility Captain/Division Manager will approve or disapprove requests for outside employment based on a supervisor's determination of the following:

• The employee's work performance (employee must be rated meets expectations);

• The employee's medical restrictions, injury or sick leave status;

• The nature of the proposed employment or enterprise (as outlined above).

OBTAINING APPROVAL

No member of this Office may engage in any outside employment without first obtaining prior written approval.

In order to obtain approval for outside employment, the employee must complete an Outside Employment Form which shall be submitted to the employee's immediate supervisor. The application will then be forwarded through chain of command for consideration. If approved, the form will be forwarded to Sheriff's Personnel for placement in the employee's personnel file.

If approved, the employee will be provided with a copy of the approved outside employment request form.

Unless otherwise indicated in writing on the approved request, authorization is granted until the next bi annual Outside Employment Form (PER-20) is due Any employee seeking to renew a request shall submit a new Outside Employment Form each time the Disclosure Cards are sent out.

Any employee seeking approval of outside employment, whose request has been denied, shall be provided with a written reason for the denial of the application at the time of denial (Penal Code 70 (D) (3)

UPDATE ON PARTNERSHIP AND FUNDING STRATEGIES TO ENHANCE REGIONAL BOARD AND CARE CAPACITY

On January 28, 2025 (19), the San Diego County Board of Supervisors (Board) approved several actions to improve access to behavioral health care locally by enhancing existing partnerships or through new partnerships. Specifically, the Board directed the Chief Administrative Officer to report back within 180 days with updates on exploring partnerships and funding strategies to enhance board and care capacity.

Licensed board and care facilities include adult residential facilities (ARFs) and residential care facilities for the elderly (RCFEs) that provide housing and 24-hour support for people in need of care who are unable to live independently in other types of housing. The County of San Diego (County) Health and Human Services Agency (HHSA), Behavioral Health Services (BHS) continues to explore partnerships and funding strategies to make progress toward increasing licensed board and care capacity by approximately 400 beds. These efforts focus on meeting regional behavioral health service needs for people with serious mental illness, in alignment with the Mental Health Optimal Care Pathways (Mental Health OCP) model. The Mental Health OCP model is a data-informed algorithm that serves as a tool to quantify optimal utilization across various behavioral health service areas and was presented to the Board on September 27, 2022 (23).

This memorandum provides a 180-day update on all activities related to enhancing regional board and care capacity.

Enhancing New and Existing Partnerships

The County continues to explore and strengthen partnerships with local community-based organizations (CBOs), including small-scale, independently owned and operated board and care providers, to enhance regional capacity and increase licensed board and care capacity. In alignment with the Board's commitment to equity in contracting priorities, several Requests for Statements

of Qualifications have been issued to expand participation among smaller, culturally responsive CBOs and to reflect the diverse needs of our communities.

Leveraging Grant Opportunities to Expand Capacity
BHS continues to make significant progress in establishing new board and care capacity through grant funding awarded by the State, including the Behavioral Health Bridge Housing (BHBH) grant and the Community Care Expansion (CCE) Preservation grant. A summary of accomplishments is provided below.

BHBH Grant
On July 18, 2023 (15), the Board authorized acceptance of $44.3 million of BHBH round 1 grant funds from Department of Health Care Services (DHCS) to increase bridge housing capacity for people with serious behavioral health conditions who are experiencing homelessness. Of the $44.3 million, $2.8 million is for start-up infrastructure funding and $41.5 million is for operations. These grant funds are available through June 30, 2027, and as of June 2025, BHS has added 221 new service slots by amending agreements with existing contracted providers and onboarding new providers. In total, this represents an 87% increase over the original 254 slots that were operational at the time of the Mental Health OCP model implementation in 2022. In consideration of future plans, BHS:

- Continues to initiate activities to secure new service slots, utilize start-up infrastructure funds for providers to purchase initial furnishings, equipment, and appliances and work with an as-needed construction consultant to assist with completion of minor renovations within newly contracted facilities.
- Will return to the Board in August 2025 with a recommendation to broaden the scope of BHBH grant funds to include short-term bridge housing for people experiencing homelessness who are living with serious mental illness and/or substance use conditions. This action will ensure maximized use of grant funds by June 30, 2027.

On July 1, 2025, BHS executed two new contracts, fully funded by BHBH round 3 grant funds, creating a total of 33 recuperative care beds for unfunded/uninsured clients experiencing homelessness. These slots are anticipated to be available by September 2025 and will provide medical respite care for clients with complex medical needs who need a safe environment to progress in their recovery from acute care settings. Services will include medical monitoring, as well as housing and benefits coordination in an effort to help eligible clients establish Medi-Cal, which can then seamlessly take over the funding of these services. These recuperative care programs are the first of their kind in the County behavioral health system of care and benefit those who would be at risk of returning to homelessness without this added layer of support.

In addition, $2.0 million in reallocated American Rescue Plan Act Evergreen funding was approved by the Board on October 8, 2024 (5) to improve access to recuperative care services, including enhancing provider capacity to provide person centered care for individuals. With the procurement for recuperative care services completed, HHSA will be leveraging this funding to further enhance access to these services.

CCE Preservation Program
On June 28, 2022 (4), the Board authorized the acceptance of $12.5 million in one-time CCE-Preservation funding from the DHCS to support the preservation of licensed residential adult and senior care facilities. This acceptance included $3.4 million in Operating Subsidy Payment (OSP) funds to subsidize operating costs and $9.1 million for Capital Projects (CP) to make necessary physical repairs or upgrades that support compliance with licensing standards and prevent facility closures. Subsequently, on January 24, 2023 (9), the Board authorized acceptance of an additional $3.4 million in OSP funding, and on April 7, 2023, BHS received an additional $0.7 million in combined CP and OSP funds. In total, the County has received nearly $16.6 million in CCE-Preservation grant funds. CP funds are available through September 30, 2028, and OSP funds are available through March 31, 2029.

Additionally, in May 2024, a Notice of Funding Availability (NOFA) application for the CCE-Preservation grant was issued to existing County-contracted board and care facilities. As a result, a total of 421 beds were preserved through the disbursement of CP funding, amounting to $5.07 million and Operating Subsidy Payments totaling $7.6 million. As of June 2025, CP funding has delivered critical repairs and modifications across nine facilities including installation of HVAC systems, roof replacements, and additional improvements to comply with the Americans with Disabilities Act.

Operating Subsidy Payments across eight facilities have also been used to offset operational deficits within these facilities, covering items such as staffing, utilities, and maintenance. A subsequent NOFA was released on July 7, 2025, focused on supporting newly contracted board and care facilities.

Due to the success of the County's CCE-Preservation program, in May 2025, DHCS posted the County's program as a case study across its media platforms, including the State's grants page. In addition, at the request of the funder, BHS presented at the May learning collaborative meeting, sharing best practices with 33 other funded counties. In addition, the request of DHCS, BHS provided one-on-one consultation with four other CCE-Preservation funded counties, sharing best practices and experiences to date.

On June 5, 2025, BHS updated the Behavioral Health Advisory Board (BHAB), including five board and care facility owners and administrators funded by CCE-Preservation. They shared public comments, highlighting the positive impact the grant funds have had on their facilities, programming, and residents' quality of life. Overall, these combined investments in capital repairs and operations align with the grant's mission in preserving community-based residential care and ensuring these facilities remain safe and viable long-term within the behavioral health continuum.

CCE Capital Expansion Program
The CCE Capital Expansion program, established through California Assembly Bill 172 (2021), provided additional funding for the acquisition, construction, and rehabilitation of adult and senior residential care facilities, enabling organizations to expand capacity with new or improved care settings. A local provider was awarded CCE capital funds for $9.4 million for a 68-bed facility, located in South Region, that will include 45 licensed ARF beds and 23 RCFE beds, anticipated

to become available in late 2026. The County will collaborate with the provider to secure licensed beds within this facility more broadly to expand services within the local system of care in alignment with the goals of the Mental Health OCP model.

Update on Central Region Community-Based Care
To further establish dedicated community-based care capacity, BHS has been working in partnership with the County Department of General Services to explore opportunities with developers/operators to develop, construct, and operate the Central Region Community-Based Care (CBC) facility located on County-owned property in Hillcrest. The Central Region CBC facility would establish approximately 110 new board and care slots and more than 10 recuperative care beds to support people with complex behavioral health needs who are Medi-Cal beneficiaries. Over the last several months, the County has refined its understanding of the market opportunities and is positioned to move forward with a Request for Information to advise on procurement next steps.

Approved Budget Increases to Address Ongoing Need
On June 24, 2025 (6), the Board unanimously adopted the Fiscal Year 2025-26 Recommended Operational Plan which includes the following:

- $17.6 million to support increased capacity for licensed board and care slots;
- $17.2 million to support increased costs for substance use and mental health programs;
- $15.0 million to support long-term care beds; and
- $13.1 million for various housing supports.

These notable increases demonstrate the Board's commitment to building accessible behavioral health care for our most vulnerable residents in need of mental health, substance use treatment, housing, and supportive services.

FOLLOW UP ON HOUSING EFFORTS AND STATE HOUSING PROGRESS REPORT

On April 23, 2025 (3), the County of San Diego (County) Planning & Development Services (PDS) presented the General Plan & Housing Element Annual Progress Report (Report) to the San Diego County Board of Supervisors (Board). The Report discusses how the County is planning to meet housing needs for all income levels in the unincorporated area, including the County's progress towards its Regional Housing Needs Allocation (RHNA) goals. RHNA reflects the projected need for housing within a region by numerically allocating future housing needs by household income group for each city and county within a region, which must be reflected in the Housing Element of the respective jurisdictions' General Plan.

Progress on the County's RHNA goals provided in the 2024 Report represents the fourth year of an eight-year Housing Element cycle, which covers calendar years 2021-2029. The Report showed that by the fourth year of the current eight-year housing cycle, the County has met 84% of its overall RHNA goals. The County has nearly met and exceeded its RHNA goals for housing development in the low, moderate, and above-moderate income categories. However, more is needed to realize housing production in the very low-income category. Notably, the report also showed that Accessory Dwelling Units (ADUs) have increased as a percentage of the total housing units permitted in the unincorporated area, with ADUs making up 45% of the total permitted housing units (1,088) in 2024.

At the April 2025 hearing, the Board requested additional information on the following topics:

- Are there incentives that the County is currently directing toward ADUs that could be better directed elsewhere, not towards ADU construction?
- What is the breakdown of permitted housing units in the unincorporated area by for-rent and for-sale housing types?
- What progress is being made on zoning ordinance updates related to housing regulations?

This memorandum serves to follow up on these requests for information, as well as provide updates on staff efforts related to previous Board direction for quarterly housing numbers and updates on key housing initiatives underway.

IS THE COUNTY INCENTIVIZING AND ENCOURAGING ADUS?

Under California State law, local jurisdictions are required to adopt regulations that allow ADUs and Junior ADUs by right in residential zones and are required to implement a range of incentives such as reduced parking requirements, pre-approved plans, and streamlined permitting to support their development and reduce barriers to housing production. While the County is not currently offering ADU incentives beyond what is required under State law, it has developed helpful tools that are widely used by the community, including pre-approved building plans and the County's ADU Handbook.

- A County five-year pilot ADU fee waiver program ended on January 9, 2024.
- The County's ADU resources are also widely used by cities and homeowners across the region. Pre-approved plans can also be adapted for new single-family homes.
- The County is initiating efforts to develop a proposed ordinance that would allow ADUs to be sold separately from the primary house, to locally implement the opt-in State legislation Assembly Bill (AB) 1033 (2023). This effort, planned to come forward to the Board in Spring 2026, could expand homeownership opportunities by creating smaller for-sale homes that are more attainable for lower income households.

BREAKDOWN OF 2024 PERMITTED UNITS IN UNINCORPORATED AREA THAT COULD BE FOR SALE VS. FOR RENT

There is a lack of data on how developers and applicants ultimately list their units after the County's permitting process is complete as most housing types can be used for either rent or sale. This excludes ADUs and apartments, which are only available for rent due to common lot ownership. However, to arrive at estimates, staff analyzed 2024 permitted units in the unincorporated area and applied some assumptions about how units *may* be made available based on housing type. These estimations are based on housing type, not whether units were ultimately listed for sale or rent. For example, staff assumed single family homes on legal lots would be for sale while multi-family units would be for rent.

Utilizing this approach, of the 1,088 permitted housing units in 2024, approximately 39% (425 units) could likely have been made available for sale and 61% (663 units) for rent. The chart above depicts 2024 permitted housing units and their associated income level at the time of the General Plan and Housing Element Annual Progress Report reporting categorized by for sale or for rent based on the unit type.

UPDATE ON ZONING ORDINANCE AND OTHER REGULATORY CHANGES RELATED TO HOUSING

The development community, housing advocates, and the County have emphasized the need for local regulations that are consistent, aligned with State law, and supportive of the County's broader housing goals. In response, at the Board's direction, the County is advancing a series of projects including several Zoning Ordinance updates to reduce barriers, improve clarity, and increase

certainty in the development process. These efforts, listed below with estimated Board timeframes, focus on enabling more housing types, streamlining approvals, and modernizing key components of the County's Zoning Ordinance and broader regulatory framework (key drivers of timing for these efforts are environmental review under CEQA and community engagement).

- **Separate Sale of Accessory Dwelling Units (Estimated Spring 2026):** Expansion of the County's existing ADU program to allow for the separate sale of ADUs as condos to increase affordable housing and homeownership options in unincorporated areas.
- **Grading Ordinance & By Right Housing (Estimated Spring 2027):** Updates to the Grading Ordinance and Resource Protection Ordinance to allow for faster approval processes in areas near jobs and transit to support housing and climate goals, while ensuring environmental protections.
- **Senior and Starter Homes Program (Estimated Spring 2027):** A new program to support smaller-scale homeownership opportunities, such as duplexes and townhomes, and additional incentives to provide opportunities for aging in place.
- **Housing Unlocked (Estimated Winter 2027):** Zoning changes to enable more flexible housing options and ensure housing can be achieved consistent with the General Plan.

NEW COUNTY HOUSING DATA DASHBOARD

During the December 13, 2022 (30) "Let's Talk Housing Workshop," the Board directed staff to report back quarterly data on new permits issued, Certificates of Occupancy, and a breakdown of how these figures fit within RHNA Goals (Recommendation #9). To advance transparency and timely delivery of key metrics on housing production in the unincorporated area for the public and the Board, staff have developed and published an online, publicly available Housing Dashboard on PDS's Housing Production & Capacity Portal. The dashboard went live in April 2025, and all Board offices were invited to a live demonstration to support use and answer questions.

Staff will update this dashboard on a quarterly basis, and will provide the following information:

- Permitted housing units, which reflects progress toward RHNA goals;
- Completed housing units (i.e., passed final inspection equivalent to Certificates of Occupancy in other jurisdictions); and
- Approved discretionary projects and housing units.

The dashboard enables users to filter the data by year, Supervisorial district, and housing type.

NEXT STEPS

Staff continue to work on the Board's key housing initiatives discussed above to maximize streamlining opportunities, address stakeholder feedback and concerns, and align with State law. This is in addition to and in alignment with the strategies in the County's Housing Blueprint. Staff plan to return to the Board for a Fall 2025 Workshop for broader land use planning policy discussions, including discussion on the Sustainable Land Use Framework, the Development Feasibility Analysis, and Vehicle Miles Traveled program. UPDATE ON STREAMLINING PERMIT PROCESSES TO ENCOURAGE LOCAL BROADBAND DEVELOPMENT

On January 10, 2024 (05), the San Diego County Board of Supervisors (Board) directed staff to engage with Internet Service Providers (ISPs) and regional broadband stakeholders, and report back within 120 days with options to streamline processes and expedite the review and approval of new broadband related projects, including potential budgetary costs and funding sources.

After meeting with stakeholders, along with collaboration between our Department of Public Works (DPW) and Planning & Development Services (PDS), the Land Use and Environment Group (LUEG) sent the Board a memorandum, on May 13, 2024, outlining several options to enhance programs and permitting processes.

On August 28, 2024 (8), the Board directed staff to implement selected options from the memorandum as follows:

- Prioritize broadband project applications by requiring staff to guarantee and maintain a consistent permit review process within 45 days for broadband projects;
- Initiate a pilot program through the Department of Public Works (DPW) to allow new broadband projects that meet certain standards to qualify for an expanded annual encroachment permit;
- Establish a pilot liaison to support future broadband investments throughout the unincorporated area and support ISPs in expediting applications for permits and grant funding; and
- Establish appropriations and addition of 2.00 staff years to support the prioritization of broadband project applications, with the Department of Human Resources classifying the positions at the appropriate level, as well as the addition of a temporary staff position for the pilot liaison.

This memorandum provides updates on each of these directives.

Permit Reviews in 45 Days
DPW worked with PDS team members and modified all applicable right-of-way permit applications to allow for the identification of broadband projects upon submission. Since the Board's action in Summer 2024, staff received a total of 259 permit applications, of which 157 were processed and received permits within the established 45-day timeline. Of the 259 applications, a total of 20 were processed and permits

issued beyond the 45-day timeline, as additional technical assistance was needed to help applicants become familiar with the revised process and submit the necessary technical documentation. The remaining 82 applications have been reviewed by staff and returned to applicants for revisions to their technical submittals; they remain within the established 45-day timeline.

Piloting Expanded Annual Encroachment Permit in Right of Way for New Broadband Projects
DPW staff developed a list of activities that would qualify under the annual encroachment permit as well as activities described in the PDS self-certification program that would allow new broadband projects to qualify for annual encroachment permits. These are currently in place and allow for contractor approved work to install broadband cables without blocking the road. Since implementing the streamlined process, staff have not had any broadband projects apply for self-certification permits. The permitted work is based on minimizing impact to traffic flow and includes traffic control with no lane closures, shoulder closures, or sidewalk closures. This includes traffic control that requires lane closures, affects more than just one street, affects other jurisdictions, and/or has a bus route/bus stop within the work zone is not permitted under this pilot.

Establishing a Pilot Liaison (Management Fellow) to Support Future Investments in the Unincorporated Area and Adding 2.00 FTEs to Prioritize Broadband Project Applications
The Pilot Liaison Management Fellow position, in PDS, was filled in April 2025. The Management Fellow works on outreach, tracking of metrics, and look at process improvements and would be forecasting work to the new Land Use Tech II positions to support ensure timely completion of the permitting process.

PDS added the two Land Use Tech II positions and is currently in the process of filling those roles. These staff will prioritize broadband project applications, focusing on application intake and permit issuance. They have extended one offer and are in the interview phase for the other. The Pilot Liaison Management Fellow, as well as the two Land Use Tech II positions were added mid-year (FY 24/25) as part of the action approved in the August 2024 Board direction.

Next Steps
Staff will continue to focus on processing permits within the required 45 days, while advocating for development and supporting ISPs in expanding broadband capacity in the unincorporated region. If your offices have questions or would like additional information, please reach out to Marisa Barrie, Director, Department of Public Works at (858) 694-3087.
