I am glad that you are interviewing the finalists publicly since we have hitherto been locked out of the selection process.

David Baker - Chief deputy with a good collection rate. International experience.
Larry Cohen - Fed finance agency experience (Vargas), int'l experience. Better reasons for wanting job.
C. Peacox - Carlsbad Treasurer for only 1 year. Not much direct treasurer or tax experience. Career blank between 2005-18.
Detra Williams - work in TTC office, Tax Collection Mgr. Seems innovative. Does not say why she wants job. Typewritten initials.

I'd choose Detra Williams.

There is a lot to be said for being cautious while making temporary appointments given how many politicians elected these days change course as soon as they have the power. That is why is is so valuable to have public input in the entire process, beginning to end.
