I'm here to rip apart your pathetic 'Ad Hoc Subcommittee on Safety Net Services and Behavioral Health Transformation.' You slap 'equity' on this garbage, but it's a \$40 million pig trough for your cronies—hidden in your \$8.63 billion budget while San Diegans choke on a \$138.5 million deficit. Where's the money going? You won't say, because it's a scam.

You three—Lawson-Remer, Montgomery Steppe, Aguirre—are spineless lobbyist whores, selling out to nonprofits while families starve. This subcommittee's a joke—a talk circus burning cash on hot air, not solutions. You've got no figures, no plan—just a blank check for your buddies. Look at Tijuana River: \$2.6 to \$3.4 billion over 40 years, half wasted on studies, and sewage still flows. That's your blueprint—talk, don't fix.

Jim, you hypocritical clown—grandstanding about waste while this mess festers. You lie about election security, letting Newsom's 'Election Rigging Response Act' legalize your vote-by-mail fraud. If our elections weren't rigged, none of you crooks would be here. You're all complicit, protecting a system that screws us.

San Diegans, this is a mugging—demand a line-by-line audit of this subcommittee's filth and a Citizen Voter Mailing Address Audit. I've got the scars, the charts, and the guts to bury you. Your restraining orders won't stop me—show the money, or get the hell out. Thank you.
