I am in support of the item to approve the lease between the County of San Diego and the City of San Diego. As a Mira Mesa community member and former student, a haven like the Epicentre is vital for our community's youth to recreate, connect with one another, and receive any support they need, such as tutoring and extracurriculars, which many of our students cannot afford out of pocket, as well as community events like cultural festivals to bring our community closer together.

#### Alex Villafuerte

Location: 91910, Chula Vista

I fully support the revitalization and reopening of the Epicentre. This space has been vacant for over eight years, and rather than remaining unused, it could significantly benefit our youth and community-based organizations as a venue for events and gatherings. I urge you to approve this lease so that our community can transform an empty, boarded-up building into a vital community space that our neighborhood needs.

#### Briana Kaminski

Location: 92126

I vote yes and want to bring the center back to our community.

#### Bari Vaz

Location: 92126, SAN DIEGO

Since 2016, the Epicentre has stood vacant, a blight rather than a source of service and enjoyment for Mira Mesa residents. The County's approval of this lease will restore the building to service. But more importantly, it will provide a much needed place for our youth to gather safely as well as a community center for our entire population. I urge our County Supervisors to approve this lease, so that you may expand your youth programs and Mira Mesa may be improved and enriched by this project.

Please vote to approve this lease agreement. My husband and I have lived in Mira Mesa since 1980 and raised our daughters here. As an active volunteer with many civic groups, as well as the author of "Mira Mesa," a photo history, I know well what's made Mira Mesa a better place to live over the years. The County now has the chance to revive a treasured resource in the heart of Mira Mesa. With this lease, County Parks can restore, operate, and maintain the Mira Mesa Epicentre, a win for all!

I have been involved in Mira Mesa for over 40 years and this is just another effort to make our community a better place for our kids and young people. Please support this item since our City does not have the money to fix this. We need this addition for our kids. We are grateful that the County has stepped up to help with this project. Please make this happen and become a focus place for our kids.

I am on the Board of the Mira Mesa Town Council and immediate past chair of the Mira Mesa Community Planning Group. We have been working with the County for the past three years on this project and I am very happy to see it come to fruition. This project will reactivate an important and highly visible space in our Community and return it to a useful purpose. This is a great project for the County, the City and the Mira Mesa Community. I strongly encourage you to approve the lease agreement.

Dear County Board of Supervisors,  
Thank you for bravely taking on the care, management, and restoration of Mira Mesa's Epicentre. We at Mira Mesa Concerned Citizens, and myself personally, are very excited to help you make this neglected building into a community space providing chances for people to come together and create joy. Hooray for making bold choices to better the lives of your constituents.

I live in Mira Mesa. I urge the board to accept the Mira Mesa Epicentre Lease between the City and County of San Diego. This project will provide a much needed community space for youth to engage after hours when schools are closed and students have few public spaces to go. This space has remained vacant for over 8 years, but this lease will reactivate this community resource for a wide variety of activities, programs, cultural events, and meeting space for local organizations and nonprofits
