As a non-profit organization that hosts temporary special events, we wish to convey our support. The Hillcrest Business Association organizes six special events annually. The proposed modification to the Temporary Event Limited Beverage Service fee, encompassing all full-service bar operations and reducing permit costs for bars operating at temporary events, is poised to significantly benefit our events.

I express gratitude to the Department of Environmental Health and Quality for collaborating with the San Diego Event Coalition. By revising guidelines and responsibly handling fee increases, they've greatly assisted events and non-profits. Special thanks to Departmental Operations Chief, Ryan Johnson, for his dedication to the event industry. We trust the County Supervisors will back the Department's recommendations.

Regards,  
Laurel McFarlane
