BY SB1 FOR FISCAL YEAR 2025-26**

WHEREAS, Senate Bill 1 (SB1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and signed into law by the Governor in April 2017 in order to address the significant multi-modal transportation funding shortfalls statewide; and

WHEREAS, SB1 includes accountability and transparency provisions that will ensure the residents of our County of San Diego are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year; and

WHEREAS, the County of San Diego must adopt by resolution a list of all projects proposed to receive funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

WHEREAS, the County of San Diego, will receive an estimated \$62.9 million in RMRA funding in Fiscal Year 2025-26 from SB1; and

WHEREAS, this is the ninth year in which the County of San Diego is receiving SB1 funding and will enable the County of San Diego to continue essential road maintenance and rehabilitation projects, safety improvements, repairing and replacing aging bridges, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB1; and

WHEREAS, the County of San Diego has undergone a robust public process to ensure public input into our community's transportation priorities/the project list; and

WHEREAS, the County of San Diego used a Pavement Management System to develop the SB1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the communities priorities for transportation investment; and

WHEREAS, the funding from SB1 will help the County of San Diego maintain and rehabilitate hundreds of road segments throughout the County of San Diego this year and hundreds of similar projects into the future; and

WHEREAS, the project list shall not limit the flexibility of the County of San Diego to fund projects in accordance with local needs and priorities so long as the projects are consistent with subdivision (b) of Section 2030 of the Streets & Highways Code; and
