The reason for the HHSA facility is to respond to immediate needs for individuals, families, and the region. But the office space is smaller by a square of 179 feet on a side. While a smaller office saves a bit of heating, etc., I do hope that it is adequate to serve the area's families.

Also, I know the bus runs down Lemon Grove Ave., but the question is how often. Will people set stuck waiting after dark?

The guaranteed 3% annual rent increases are great, and that it is across from a Sheriff Substation is good too. So this is probably a great opportunity.
