Of course the lease expired without a plan established by the county. As with other county infrastructure, lack of prioritization of buildings and services for American citizens residing in this county, the library has been pushed to the side. The women on the BOS have set their priorities and funds elsewhere - i.e., freebies to illegal immigrants, unresolved homelessness. Don't hold your breath for any resolution in 2029. In the meantime, the county residents in Santee deserve to have a library.

You would be renting a space about 2/3 the recommended size. The people of Santee and library users deserve better. Surely you can do better. Maybe put in some tiny homes there to augment the library area instead of homes for druggies across from a liquor store in Spring Valley.
