Citizens Against Gillespie Expansion -Low Flying Aircraft. We are requesting the San Diego Board of Supervisors order the San Diego County Grand Jury to investigate the County of San Diego Airports. and San Diego County Regional Airport Authority. When Chairperson Lawson Remer stated at the 1/8/2025 Board meeting stating she was "disturbed" "upset" and feels "threatened" and then conclude that "Basically we have a gun to our head" those words and statement are indicative of an abusive relationship with the San Diego airport system. It warrants an investigation where citizens/workers give testimony under the shield of confidentiality. This system has NEVER been investigated by the San Diego County Grand Jury. It is long overdue. thank you Robert Germann
