Board Policy B-29 mandates that departments seek to recover the full cost of all services provided to agencies or individuals outside the County of San Diego organization. Reimbursement by fees, contracts and grants will be for the full cost of all services, with certain exceptions approved by the Board of Supervisors.

A waiver of Board Policy B-29: *Fees, Grants, Revenue Contracts - Department Responsibility for Cost Recovery* is requested in the amount of $513,756 for program costs not covered by the revenue agreement, including County support costs which are capped under the State revenue agreement, and for wet weather monitoring. The funding source for these unrecovered costs is General Purpose Revenue ($236,337) and 1991 Health Realignment revenue from the State ($277,419). Subsequent year costs and revenues will be included in future year Operational Plans for DEHQ. There will be no change in net General Fund cost and no additional staff years.
