Hi Supervisors,

## Re-SOLICITING VOLUNTEERS FOR THE ANNUAL POINT IN TIME COUNT

You may have to advertise more for volunteers because you seem to be doing too little to reduce the number. In fact it grew last year and keeps growing. In addition, the homeless are shuffled around, driven to other parts of the County.

So a growing number of people are probably asking themselves 'why should I get up at 4 or 5am just to count people who should have been taken care of and housed?'

Of course, there are a number of good people out there, but I hope you aren't overloading them with the work that the people who left did.

Regards,

Paul Henkin
