What experience or special knowledge can you bring to your area(s) of interest?

I'm really good at researching and learning how things work. Serving on multiple committees including the Executive Comm.tee for 2015-2021 SDCGT I gained a very broad perspective of the body of work that the G.T. is required to oversee. Follow up on this work is critical.

I have done poll working in the past and volunteered for multiple parent groups when my sons were in school. I also served as the liaison/support group leader for the Southern CA Myelodysplastic Syndrome Support Group
