GUIDE FOR SPEAKERS

1. Any person wishing to speak to the Board on a specific agenda item must file with the Clerk a written Request to Speak form prior to the scheduled opening time of the session or prior to the time that public comment begins on the item if the item has not been adopted without discussion. Due to the need to facilitate public comment at the meeting, submission of unintelligible, profane, deceptive, confusing or other information on speaker slips that may interfere with the orderly processing of speakers may preclude a member of the public from speaking during that particular public comment period.
2. A member of the public wishing to speak on an agenda item shall be given an opportunity to speak for up to two (2) minutes. If there are 10 or more speakers wishing to speak on an agenda item, the Chairperson may limit all individuals to speak for up to one (1) minute. Speakers may not give their time to another person.
3. Disruptive behavior or language may lead to a warning by the Chair and then removal if the disruptive behavior or language does not cease.
4. Materials submitted at the meeting become part of the Board's official record. It is suggested that 10 copies be submitted, that the presenter's name and the agenda number be clearly marked on the materials, and that the materials be provided to the Clerk before discussion begins on the item.
5. Pursuant to the Levine Act (Gov't Code Section 84308), any party to a permit, license, contract or other entitlement before the Board is required to disclose on the record any contribution, including aggregated contributions, of more than \$250 made by the party or their agents within the preceding 12 months to any Board Member. Participants and agents are requested to make this disclosure as well. The disclosure must include the name of the party or participant and any other person making the contribution; the name of the recipient; the amount of the contribution; and the date the contribution was made.

The Board of Supervisors appreciates your comments and thanks you for participating in the democratic process.

GUIDE FOR SPEAKERS

1. Any person wishing to speak to the Board on a specific agenda item must file with the Clerk a written Request to Speak form prior to the scheduled opening time of the session or prior to the time that public comment begins on the item if the item has not been adopted without discussion. Due to the need to facilitate public comment at the meeting, submission of unintelligible, profane, deceptive, confusing or other information on speaker slips that may interfere with the orderly processing of speakers may preclude a member of the public from speaking during that particular public comment period.
2. A member of the public wishing to speak on an agenda item shall be given an opportunity to speak for up to two (2) minutes. If there are 10 or more speakers wishing to speak on an agenda item, the Chairperson may limit all individuals to speak for up to one (1) minute. Speakers may not give their time to another person.
3. Disruptive behavior or language may lead to a warning by the Chair and then removal if the disruptive behavior or language does not cease.
4. Materials submitted at the meeting become part of the Board's official record. It is suggested that 10 copies be submitted, that the presenter's name and the agenda number be clearly marked on the materials, and that the materials be provided to the Clerk before discussion begins on the item.
5.
