Audit Equus!

As a San Diego Jan 22nd flood survivor I support an audit of Equus. My experience with Equus was unprofessional, supportive, and chaotic. The lack of organization and care left my son and I living out of my car for a day, missing work and school due to last-minute hotel changes, and worried for our safety placed in hotels with active human trafficking. My concerns were dismissed, and I had no choice but to stay in an RV with no hot water to be safe with my child.
