BOARD POLICY STATEMENTS:

In accordance with Board Policy B-29, a waiver is requested to grant the Sheriff and Sheriff designees to apply for and accept funding from the California Governor's Office of Emergency Services (Cal OES) for the Paul Coverdell Forensic Science Improvement Grant (Coverdell) if there are no material changes to the grant terms and funding levels and to review and execute all required grant and grant-related documents that do not materially impact or alter the services or funding levels. The Sheriff certifies that the funding in this request would be worthy of expenditure of County funds in the absence of external funding. Funding for the Paul Coverdell Forensic Science Improvement Program will enable the Sheriff's Office to improve the quality, timeliness, and credibility of forensic services through the continued training and education of the forensic scientist at the Sheriff's Regional Crime Laboratory.
