Good afternoon,

Thank you all again for your contribution to get us to the finishing line for this grant item.

I am reaching out to request you EA Approval, by responding to this email “Approve” for us to move forward with minor edits that were made in the both resolutions to align with one another and the BL language delegating authority to any staff we will need to execute/accept the grant funds.

Attachment A changes were to align with the BL Rec 4 delegation of authority and spelling out who the approver signature is (LUEG DCAO).

Attachment B changes were to align the approvals in Attachment A with this item and clean up the signature blocks. It is now only needing Clerk, LUEG DCAO, and Counsel to sign off. In the case we need more signatures for the State, Rec 4 grants us the ability to add whoever is needed to make the grant process complete.

Please reply “Approve” by 4pm today for us to submit the final docket changes to the Board.

Approvals needed:

- OFP
- DPR
- DPW
- Counsel
- LUEG GFD
