Dear Supervisors:

The idea of allowing criminals to hide in this county is dangerous and puts our families at risk of harm!  
Not cooperating with the federal authorities to remove these criminals because you are worried that a peaceful illegal alien will be deported IS opposite of smart!  
PLEASE stop this nonsense!  
Repeal this so called sanctuary city status and return us to common sense!  
And safety!

Dr Ronald A May, family and associates  
Resident of County since 1981

*I would like to voice my strong opinion to repeal this disastrous policy L-2 AND put an end to our "Super Sanctuary County Status".*

*I have lived in San Diego since 1984 and the changes with illegal immigration and open door policy have had horrific effects and costs.*

*Regards

Hello and I implore you to do the right thing and vote to **repeal the sanctuary city status of San Diego.** It allows criminal illegals safe harbor to victimize our citizens as conflicts with federal laws.

Thanks.

Subject: [External] Repeal of Board Policy L-2

To the San Diego County Board of Supervisors,

My name is Caleb Hurbon. I am a constituent of San Diego County, and have been all my life.

I am contacting you to express my approval for repealing Board Policy L-2.

Although I support sanctuary for people wanting a better life as a citizen of the United States, I do not support enabling reckless and potentially dangerous people to sneak into our borders with nefarious intent under the guise of sanctuary.

Please repeal Board Policy L-2 and allow scrutiny in the immigration process so that we can protect those who truly need sanctuary, and defend against those who may be "wolves in sheep's clothing" preying on the weak and defenseless.

Thank you for your service as governing officials in San Diego County!

-Caleb Hurbon
