I'm glad to see 6 certify the existing speed limit and 2 certify the speed limit for the adjacent section of road. Reduces the number of signs you waste our money on.

On item 2B, Alpine Blvd. 50 mph limit, this is a somewhat winding road near numerous houses. I would think a 35 mph speed limit is more advisable and alot safer.

I hope that the TAC committee will spend more of its time on big issues like not blocking evacuation routes with roundabouts and widened sidewalks.
